

“HOBBIES”

- Level 6
- Teacher Radionova N. I.
- 2011-2012

Hobby is something that people like to do in their free time:

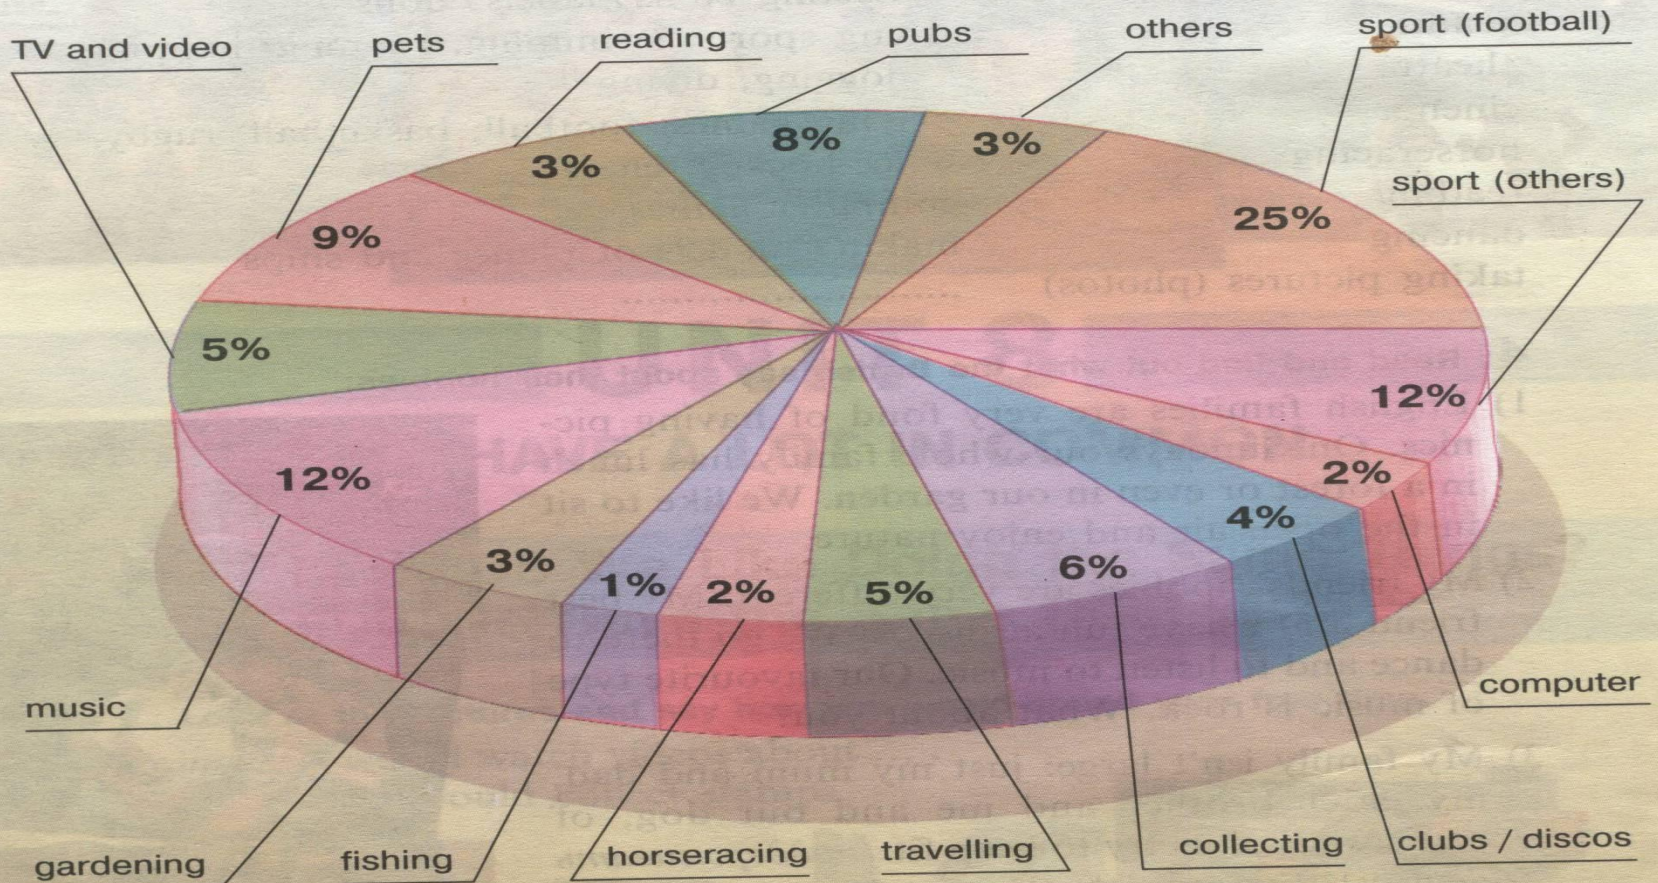

USEFUL LANGUAGE:

To do	<p>1. <i>Indoor activities:</i> watching TV, listening to the radio, using of computer, playing board games, reading</p> <p>2. <i>Outdoor activities:</i> travelling, sport, gardening, fishing, camping</p>
to make	drawing, painting, making sculptures, making model of planes, designing clothes ...
To collect	Stamps, coins, badges, postcards, books, games, records, cartoons, lables, dolls.
To learn	Books, journals, programmes, Internet, museums, theatres

6. Study this table. It tells you about the hobbies of English students. Find out which hobbies are more and less popular among English students.

Example: English students are fond of music.

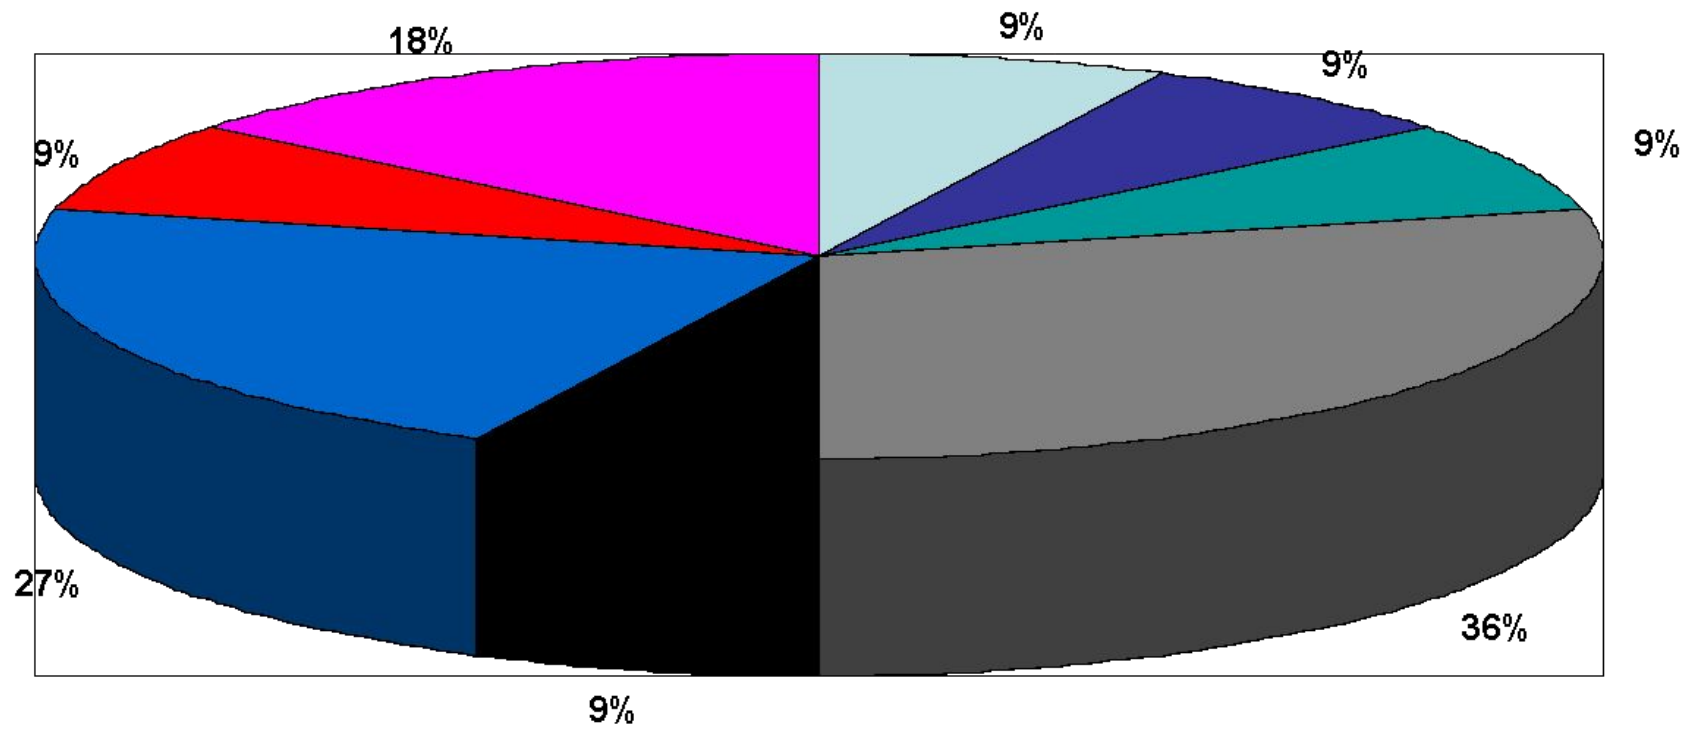

English students are not so fond of

The hobbies of our school students

Our hobbies

Our Hobbies

gardening

riding a bicycle

watching birds

drawing pictures

We are fond of drawing...

I like dancing

my hobby - animals!

ADVICE:

Let's develop at our school such after classes activities as:

for 11-12 years old students – discussing problems of keeping pets, modeling and computer studies, sport clubs;

for 14-15 years old students – computer studies, musical and dancing clubs, sport clubs;
