

ANIMALS

My dream

I love all kinds of animals

Dogs and cats and rabbits.

I love all kinds of animals,

Despite their little habits.

If I had tons of money,

D'you know what I would do?

I would buy lots of animals

And have my own zoo.

But they wouldn't be in cages,

They would be free to run around.

And there's one thing they could feel

And that is safe and sound.

Where can animals live?

We all must pay great attention on protection of our nature: trees, flowers, animals, insects and fish. We must be kind to animals and take care of them.

Our group thinks...

We believe...

The fact is...

It seems to us...

On the one hand...

On the other hand

I LOVE MY EARTH!!!
