Do you know the words ?

What is in the room of yours?

What is in the **room** of yours?

Table, **windows** and **doors**.

Ceiling, **floor**, and **walls** around.

Several **windows** can be found.

Pieces of furniture, **chairs** and **tables**,

DVD, **TV**, **computer** with cables.

Beautiful **pictures** on the wall,

And my flowers - I love them all!
