# History of EMO-movement

- EMO style appeared in the USA in 1980s. It's believed that the founders of this movement are the "Rise Of Springs", because they were the first who added unique for EMO-style technique of singing – the singer added his own emotions, cry, tears, screams... a lot of people liked this way and called it EMO as an abbreviation from word EMOTIONAL

# EMO MUSIC

- To tell the truth, there are not a lot of real EMO groups. EMO is often used just as a popular brand. But EMO-teens prefer these groups:
- - My Chemical Romance
- - Fall Out Boy
- - Placebo
- - Bullet for my Valentine
- - Killerpilze
- - Tokio Hotel
- - Panic at the disco
- - The Killers

In Russia there are not so many EMO-groups, but so popular are "Origami", "Animal Jazzz", "Moi rakety vverkh"...

# EMO STYLE
