Today you are going camping
With your family, friends or class.
Please help us, don't drop any litter!
'Cos' your litter lives longer than us.

Today you cut down your forests
But the planet needs our leaves.
Please stop it because tomorrow
You'll have no air to breathe!

'Cos` nothing is forever
And nature is getting tired.
If we don`t stop and think today
Tomorrow the Earth could die.

You can have a bath or shower

But today is the time to think.

Save the rivers because without them

You`ll have no water to drink.

Today we are still in your forests,

In the sky, in the rivers, but look:

Don`t kill us! Because your children

Will see us in picture books.

What do the signs mean?

***ONCE
is not
ENOUGH***

The Rule of three “R`s”

- Reuse
- Reduce
- Recycle

What can we reuse/ reduce/recycle?

*Celebrate the Earth with me,
the oceans, meadows, mountains, trees.
I`ll celebrate the Earth with you,
the flowers, people, creatures, too.*

*Let`s celebrate the Earth together,
new green grass, exciting weather.
Celebrate the Earth with me.
Let`s share delight in all we see.*
