Kandahar

Directed by Andrey Kavun represents a dramatic thriller about five soviet of the Russian pilots who were captured by the afghan talibs. In captivity in the city of Kandahar they spent more than a year, stole the plane. The film "Kandahar" is based on real events.

Starring: Alexander Baluev, Vladimir Mashkov, Bogdan Benyuk, Andrey Panin, Alexander Golubev.

Studio: central partnership

Budget: \$7 000 000

The plot of the film is set in Kandahar

The action takes place in Afghanistan in 1995. Russian cargo plane was arrested at the airport in the capital of Islamic terrorism - the city of Kandahar. Five Russian pilots were captured by the talibs. The crew put in the "stone bag" under the supervision of a time: five-meter walls. The only external window was square centimeters 30 on 30.

They have to live 378 days in hell. To be saved, they have only one way to escape. At the airport there was a plane and it was waiting for them. There was a minefield, on their way. The stingers were all over. But it was the only way to return home.

In a captivity

Five Russian

pilots was surrounded talibs
