**«Attractive and not
attractive jobs...»**

Creators:

Chuikina Maria

and

Pogodaeva Maria

**WE WISH YOUR
AN EXCELLENT EXAMINATION!!!**

Everybody is happy
to get a regular paid job to
do for an employer and
enjoy the process of
working=))

Jobs can
be...=)))

backbreaking
boring
dangerous
exhausting
monotonous

ATTRACTIVE

NOT ATTRACTIVE

J

Rewarding...

***...job is a work of our
president in our country***

Backbreaking

Boring

**There are many
advantages and
disadvantages
in every process**

***But EVERY job and
labour should be
respected***

*People try to find
a job according to
their
specialization,
according to their
education*

*If you work
hard you will
get a good
salary =))*

*But nowadays
it's hard =((*

It's not always easy to choose a career, to enter a right university and to have an enjoying way of studying looking forward to your entering an adult life to face the very job you have chosen

But people may change their minds many times, following someone's advice, or facing advantages of other kinds of jobs so they get the second high education and get another job, more interesting, exciting and prestigious in order to have a great career...

The most popular professions nowadays

Doctor =))

are

Lawyer =))

Economist =))

And ????

The
