

"Australia is wonderful continent"

**Area of Australia is
8,000,000 square
kilometers**

***Australia's
population is
about 15
million people***

ARRIVED WANTING TO GET BACK TO NATURE.
 DEPARTED NOT WANTING TO GO BACK HOME.

It's not what they say about Australia's weather conditions. The weather in Australia is not just sunny, "barbecue" and blue. They provide better opportunities, culture, food and health and services across Australia. It's a real world, people like. Making the most of every day. Australia is a beautiful country and they say it's paradise.
