

BORROWINGS IN THE MODERN UKRAINIAN LANGUAGE

Англiцизми в сучаснiй українськiй мовi

BORROWINGS

are words adopted by the speakers of one language from a different language (the *source language*).

THE SUBJECT OF MY INVESTIGATION

- the use of borrowings and slang in everyday communication
- the peculiarities of their usage in spoken conversation.

THE AIM OF THE INVESTIGATION

- to discover the role of borrowings and slang in Modern Ukrainian language
- find out positive and negative points of its influence
- to point out the main reasons of appearance of this phenomena.
- to classify slang words

SPHERES, WHERE WE USE BORROWED WORDS

- techniques: *блюмінг, бульдозер, буфер,*
- politics, economics and trade: *банкнота, блеф, блокада, бойкот, бюджет*
- sports: *аут, бокс, боксер, волейбал*
- army: *аут, бокс, боксер, волейбал*
- cloths: *велвет, джемпер, піджак, піжама*
- food and drinks: *біфштекс, кекс, пудинг*
- culture: *гумор, джаз, клоун, клуб,*

THE REASON WHY THE WORDS ARE BORROWED INTO LANGUAGE:

- Ukrainian language don't have this words in its language, so they are borrowed and not assimilated
- To replace describing phrase by phrase by one word
- To give detailed information about subject that already exists in the language

SLANG

words or phrases, which are used by people of different specialty or class layer

SLANG WORDS WE DIVIDE ACCORDING TO THE SPHERE OF ITS USAGE:

- Things of everyday usage: cloths, food, money, colors
- Computer technologies,
- Emotions, reaction
- Denoting people according to age and gender, relative boundaries
- Sphere of culture
- Sport
- Self-development, methods
