

The image features a vibrant, multi-colored striped background. The stripes are vertical and come in shades of blue, purple, yellow, green, and orange. In the center, there is a white rectangular area with a thick, multi-layered border in shades of green and blue. Inside this white area, the words "Body Parts" are written in a large, bold, pink, bubbly font with black outlines. The background behind the text is a light blue sky with soft, white clouds.
