

Cheating in sport

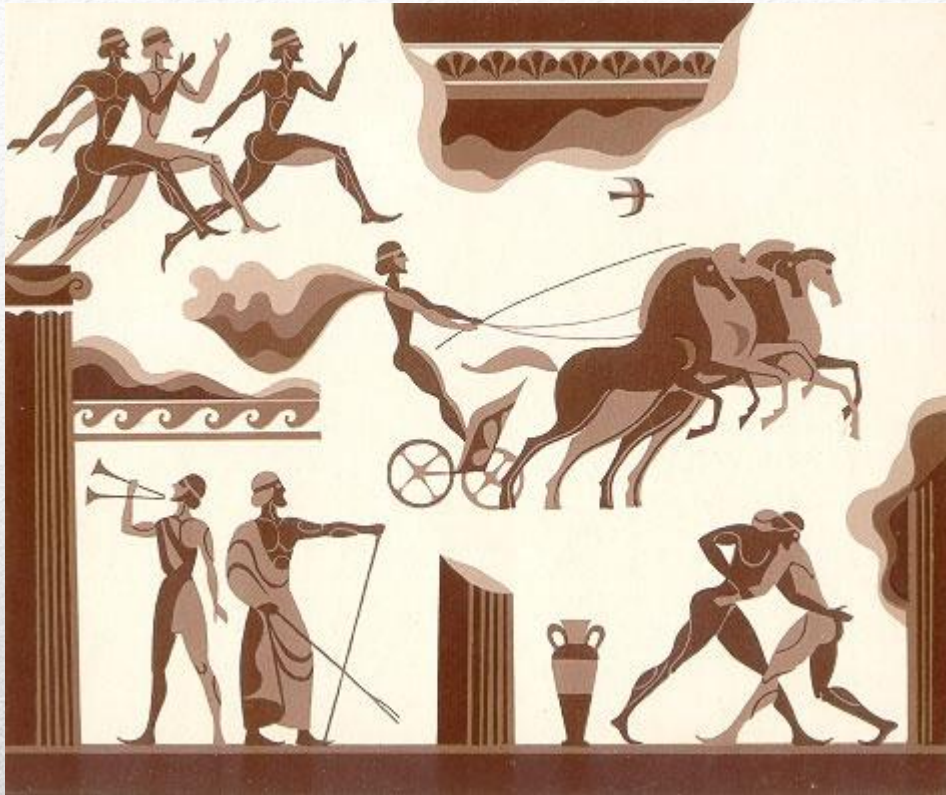

Radzyhovskaya Mariya 4(8)-C

- Doping means the use of banned performance-enhancing drugs

What is doping?

- The ancient Greeks and Romans were entirely open about using drugs

the origin of the doping

- Galen, the great Roman physician, prescribed dried figs, mushrooms, and even animal organs to the gladiators .

Origin and history of doping

- One of the most famous stories of early doping involves Thomas Hicks

Modern doping

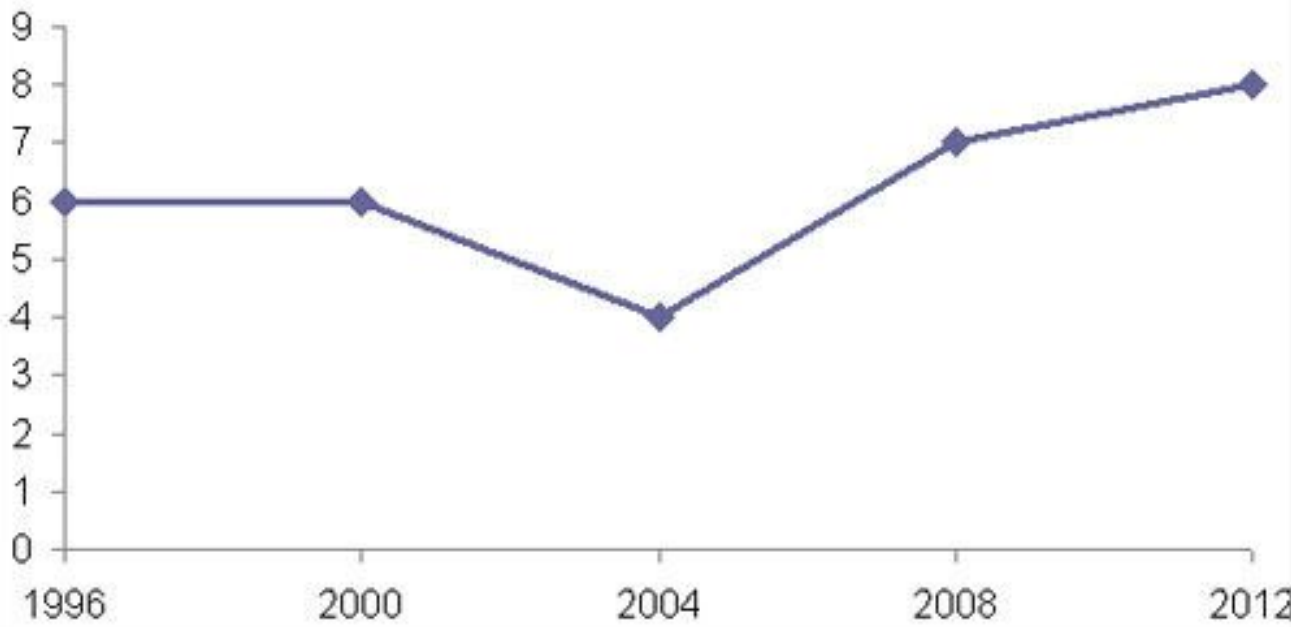

Cycling legend Lance Armstrong

- The first attempt to prohibit doping was made by the International Amateur Athletic Federation in 1928

Fighting with doping

- doping has increased dramatically since the period 2004 to 2012

now

- Are golden medals really worth dying for?

My opinion

“Disonishenko” Boris

The end
