• *There is my*

. There is

and

. It is

my room. It is small, but nice. There is

,

and

in the room.

I like my home.

Догадайся, о какой из комнат идёт

речь. There is a living room. There is a TV on the wall. There is an armchair and a table in the middle of the room. There is a carpet on the floor.

Describe the picture.

There is...

There is...and...in the middle of the room.

There are ...near the table. There is...on the floor.
