

ART

CINEMA

A black and white photograph of various film reels and strips. In the foreground, there are several reels of different sizes, some with film strips attached. One large reel is on the right, and several smaller ones are in the center and left. A film strip is draped across the middle. The background is a plain, light-colored surface.

A vibrant, impressionistic painting of a street scene. The scene is filled with colorful foliage in shades of orange, yellow, red, and blue. A street lamp with two lanterns stands on the left. The buildings on the right have arched windows and doorways. The overall style is expressive and colorful.
