

# DISCO

# New Style

The image features several large, spherical disco balls of varying sizes, each covered in a dense grid of small mirrors. They are suspended from a complex metal truss system. The background is a deep blue, and the lighting creates bright, shimmering reflections on the surfaces of the balls.

- ▣ The middle 80 has brought new interest to a disco genre. As the basic musicians working in this direction, were in Europe, a new wave of a disco began to call EuroDisco

# CLOTHES

- Disco-style basis — jeans. Some men dare to carry jeans «on hips». In a fashion — an embroidery and accessory on jeans.
- The special glamour considers the white man's suit which has been put on together with a black shirt with the big collar on top of a jacket. Polo-necks enter into a fashion. Besides the classical colours accepted in a man's fashion, there are orange, salad, bright yellow shirts, polo-necks, a sweater.
- Disco-style has apprehended much from sports style. Besides polo-necks, multi - coloured T-shirts, shorts, leggings. Sometimes the four-wheel roller fads in style of a retro.

Disco

# FOR WOMEN

- Women`s fashion is not less various: jeans maxi-skirts, sundresses, shorts and T-shirts of loud colouring. In a fashion – brilliant fabrics, superfluous-bright costume jewellery. Easy barefoot persons on thin heels-hairpins become in the late seventies popular. The most courageous women of fashion prefer "silvery" barefoot persons.

# Hairdresses

- The magnificent hairdress «afro». In a fashion also straight lines, long, a fair hair at girls. The hair-dye becomes more and more sparing is allows the woman to reach with any type of hair of a fashionable shade. Young men carry the magnificent hairdresses covering ears. Dense bangs and big "caps" of hair are actual.

# Decline

- In the beginning 90 in a dance music the new directions which have definitively replaced with self a disco were generated. It, first of all, Euro Dance, Techno Dance, Italian Dance and Italian House.

# Nowadays

- New-Disco — A genre of a dance music of the XXI century. A mix of Italian Disco and a music House, name New-disco has appeared in 2002 and to the middle of 2008 has been already populated. New -disco is a transition from new style.
