

**Easter**

# Easter in Great Britain

It is a religious holiday. There are 3 favourite symbols of Easter: Easter Cross, Easter Egg and Easter Bunny. The Cross represents Christ's victory over death. The Egg is a symbol of life. The Easter Bunny is really a hare. The hare was a favourite animal of Easter, the spring goodness, so Bunny represents love and growth.

- 
- **A** is for April, the heart of the spring.
