On Easter festival people decorate churches with white lilies and all the families go there.

After church people walk down the streets in their new Easter hats and suits. This procession of people is called Easter Parade.

Happy
Easter

**There are many Easter symbols in great Britain:
Easter Eggs, Easter Bunnies, Chicks.**

One of the Easter traditions is eating hot cross buns.

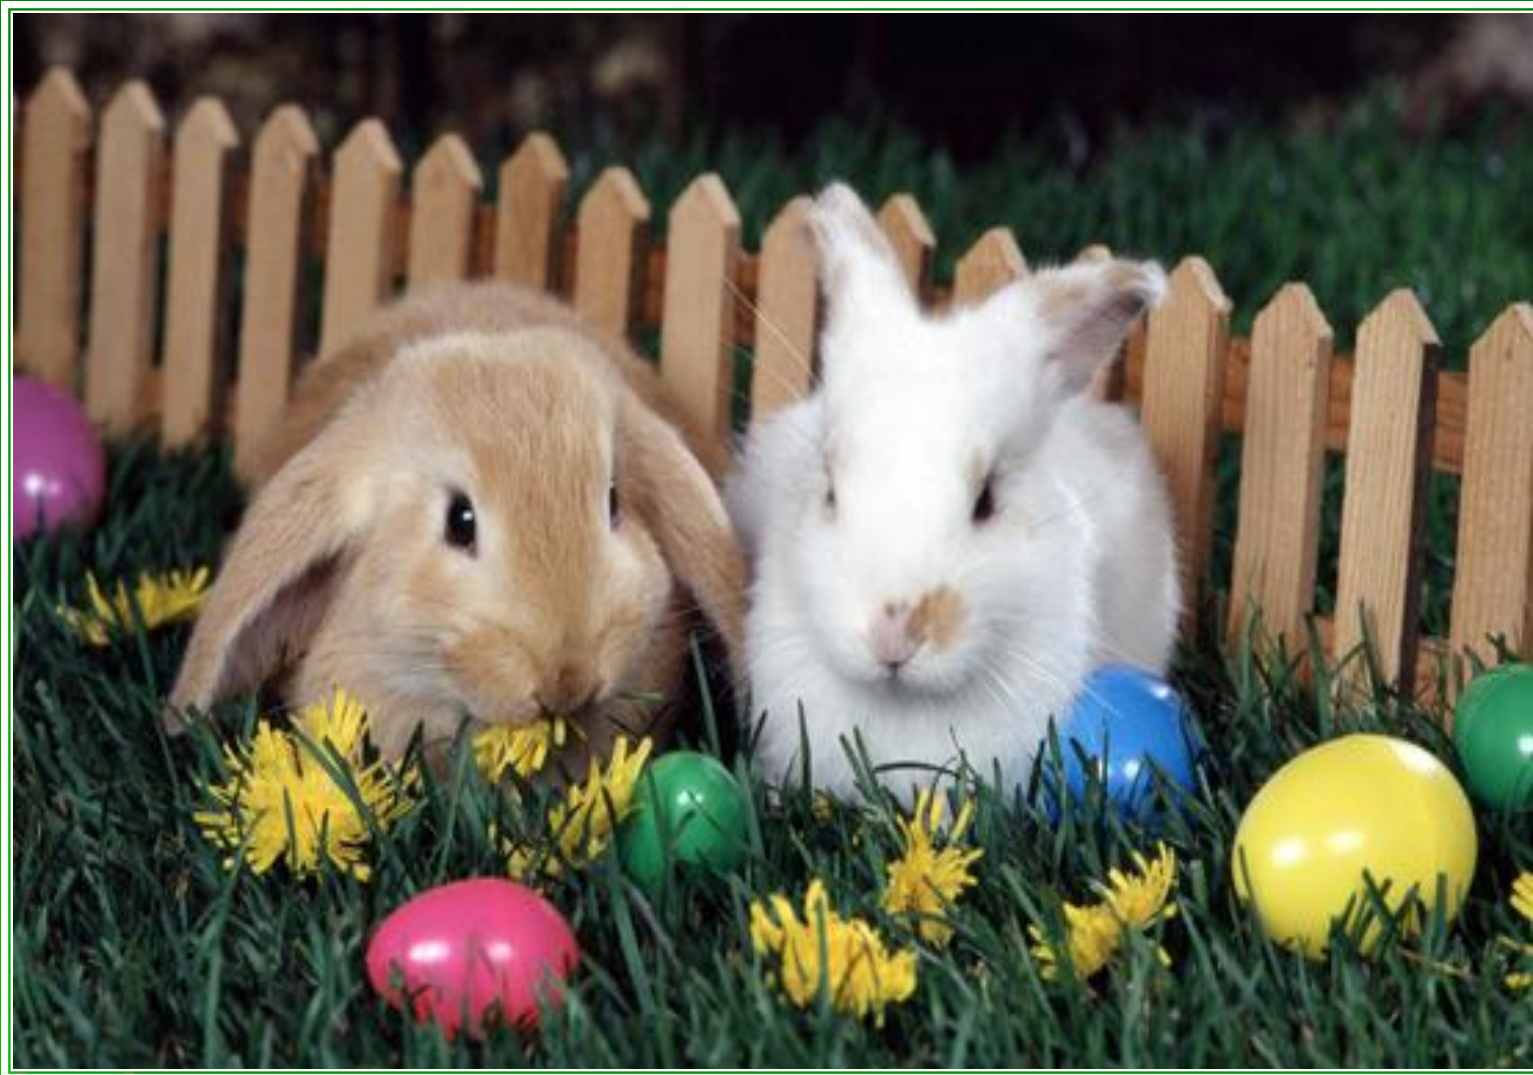

There is a white cross on a hot cross bun.

Children like Easter very much because it is a tasty holiday.

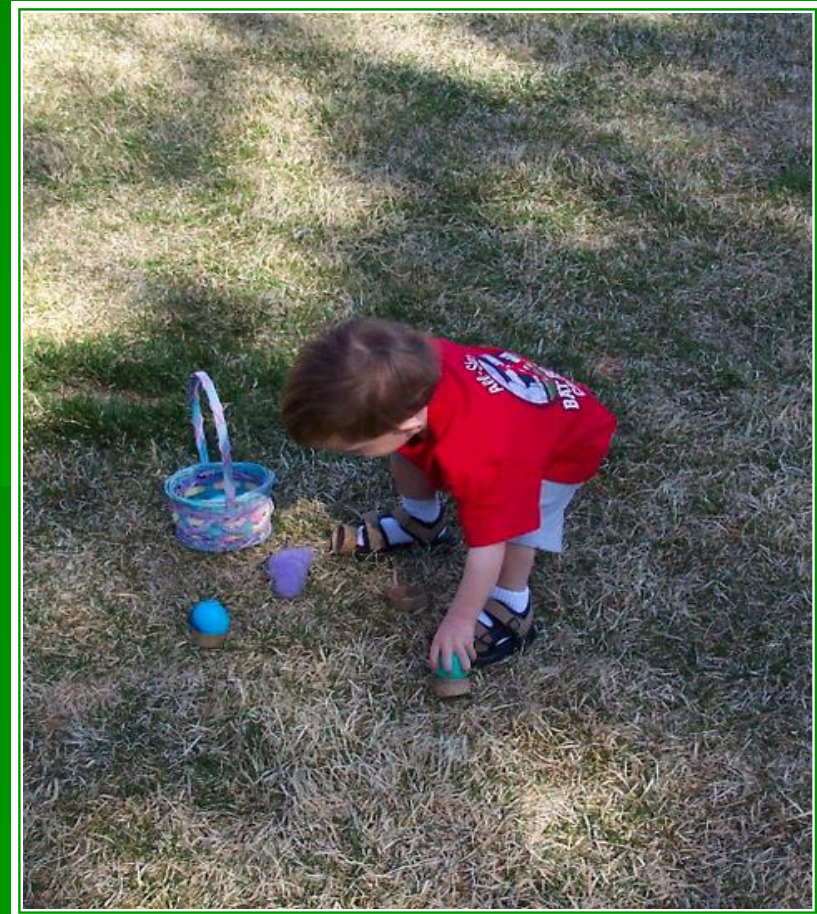

At Easter children eat chocolate Easter eggs, chocolate bunnies and a lot of sweets.

Parents hide Easter eggs in the house or in the garden. Little children think that Easter Bunny brings and hides eggs for them.

In the morning little children are busy with hunting eggs.

**Children like to play
Easter egg-rolling.**

**Easter egg, Easter egg,
roll forward not back!**

All the families in Britain colour eggs and put them into baskets.
