# EASTER IN BRITAIN

Easter comes in spring.  
It occurs on the first  
Sunday after the first  
full Moon.

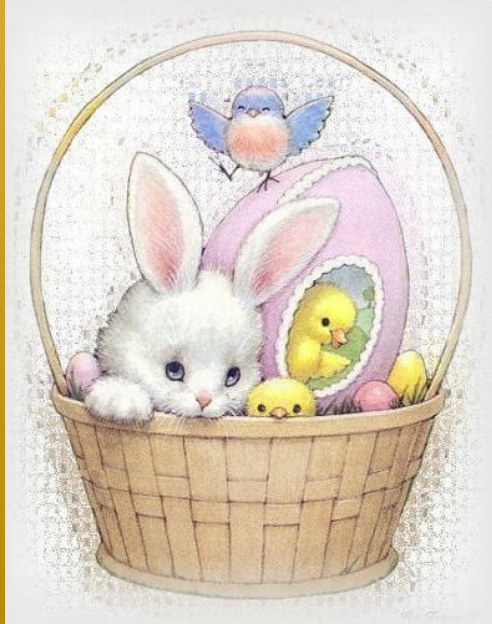

It is a religious holiday.  
The word Easter comes  
from the Anglo-Saxon  
goddess of the dawn.  
Her spring festival was  
celebrated in April.  
Easter is a Christian  
festival now. The  
Christians are glad  
over the fact that Jesus  
Christ rose from the  
dead. It has some  
symbols.

# Easter symbols are:

The Cross

Rabbits, chickens

Eggs

# JESUS CHRIST

- Jesus Christ, the son of god, was resurrected and the Cross is a very important symbol too. The egg is a symbol of a new life. Easter eggs are mostly red and are very beautiful.

**Easter Rabbit is a kind symbol of Easter. It is a very innocent animal. It eats only grass.**

# Easter legends, games and songs.

- The legends hold that once a poor woman decorated colorful eggs for her children to find. As soon as the hidden eggs were found a large bunny was seen hopping away. This is the root of the Easter Bunny that we know and love today.

- People buy new clothes to wear on Easter Sunday. There is a popular tradition to wear three new things at Easter. They believe these will bring good luck in the year. They go out into the streets. This procession is called The Easter Parade.

Easter lasts for a week. The three most important days are Maundy Thursday, Good Friday and Easter Sunday. On Maundy Thursday, the king or a queen of England gives money to poor people. The tradition is very old. On good Friday, people eat fish instead of meat. They also eat special hot cakes with a cross on the top. They call these cakes hot cross buns. On Easter Sunday, People eat a traditional roast dinner with lamb, potatoes and vegetables. They also give each other chocolate Easter eggs.

- Children like Easter very much because it is a tasty holiday. All the families colour eggs and put them into green, yellow and pink baskets. Next morning children are busy with hunting eggs, jelly beans and chocolate bunnies. They play funny games such as egg rolling contest and sing Easter songs.

# EASTER HUNT

Easter Roll is a tradition of rolling eggs down grassy hills. Children push an egg with a long handled spoon. The old Lancashire legend says that the broken eggshells should be carefully crashed afterwards or they would be stolen by witches.

# EASTER ANIMATED PICTURES

*Thank you for attention*

The image features a vibrant, stylized illustration of Easter. In the foreground, three large, glossy eggs are arranged horizontally: a pink one on the left, a blue one in the center, and an orange one on the right. Behind them, several thin, white and yellow stems rise from a green, rounded hill. These stems are adorned with smaller, colorful eggs in shades of red, green, orange, and blue. The background is a bright, white sunburst pattern radiating from the top center, set against a light blue sky. The overall scene is festive and celebratory.
