ballet
dancers and
he was
fascinated
by them.

He made over
1,500
paintings
and
drawings of

He showed
dancers in
many poses,
not just
dancing but
going to

As he grew
older he
suffered eye
problems and
began to make
more
refractions

Degas made
"Little
Dancer Aged
Fourteen" in
1880. The
master gave to

Degas wanted
to show how
people really
move catching
them in just
their
