The left side of the slide features a vertical stack of decorative elements. At the top, there are several thin, parallel vertical stripes in shades of brown, tan, and white. Below these stripes is a large, solid orange circle. To its right and slightly lower are two smaller orange circles. Further down and to the left are two more small orange circles, one positioned below the large circle and one to the right of the small circle below it. The background of the entire slide is a solid, dark blue-grey color.

THANK YOU!
