

Fashion

- Fashion is something we deal with everyday. Even people who say they don't care what they wear choose clothes every morning that say a lot about them.

- In stone age people wore warm clothes.

- In 15th century silk appeared in Europe.

The age of renaissance appeared in sixteen century. The was period of: long dresses and very big wig.

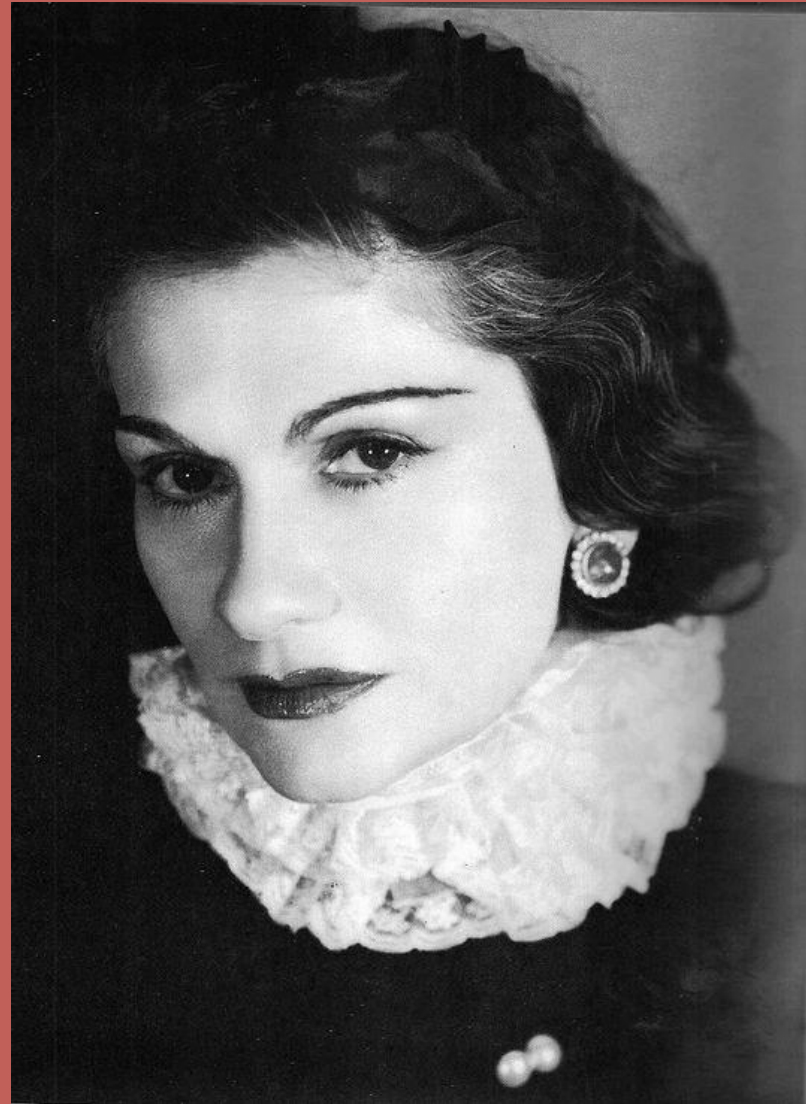

Then Maria Antoinette changed days. There was not haircut for women.

In 1891 brought new views for fashion. All clothes was harmonic.

Women's suit was presented by
Coco Chanel in 1941.

The stone's fashion came in 2000.

Minimalism came in 2010 and nowadays this style goes on.

Fashion was changed yesterday
and the fashion will be changed.
