

FEATURES OF EDUCATION IN ITALY.

Education is compulsory in Italy from 6 to 16 years. The learning process is divided into several stages.

1. Creche (for children from 3 months to 3 years)

2. Kindergarten (from 3 to 5 years)

3. Primary School (Duration of primary school 5 years)

4. Upper secondary education:

1) lyceums

2) Professional education - training.

At the end of each stage being tested.

Schools usually begin in the second week of September and ends in the second week of June. Almost all schools are closed for Easter, Christmas and on national holidays.

Most of the schools in Italy learn in the morning, classes start with 8.00 / 8.30. Daily sessions lasting 5 hours from Monday to Saturday. This means that children come home for dinner, so the majority of the Italian schools do not have cafeterias.

School uniform:

Boys usually wear blue or plaid is black and white clothes, while girls - pink or white and pink cell. In primary schools, form deep blue color. High school students can wear whatever they want, even jeans and a T-shirt will do.
