

My project

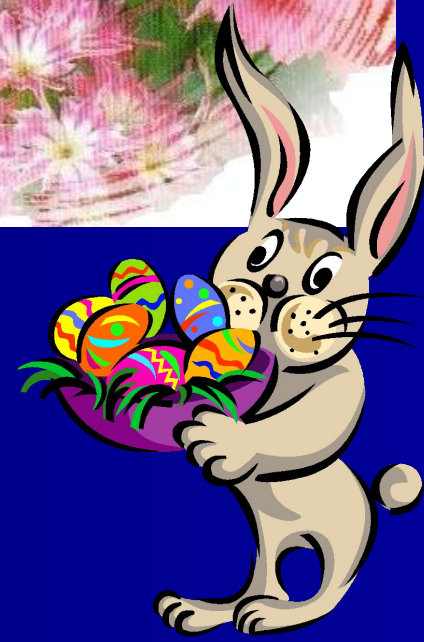

"The subculture - Flox"

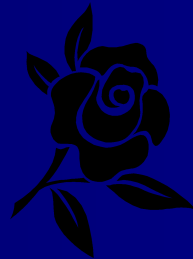

FLOX

- This subculture helps people, materially and morally, they non-aggressive as compared to other subcultures. They gather in groups and help the people of to need in the help. This subculture does not look very brightly and unusually, they usually look as circumferential. Conduct the hidden way of life they not very much like to be shown to the people.

There are many different subculture in the world:

- Goth are subculture which appeared at the end of seventieth years of the twentieth age. As well as many youths subcultures, culture ready appeared on a wave post-pan. includes interest to all gloomy, to mysticism, to the or krovavo-krasnym blacks in clothes.

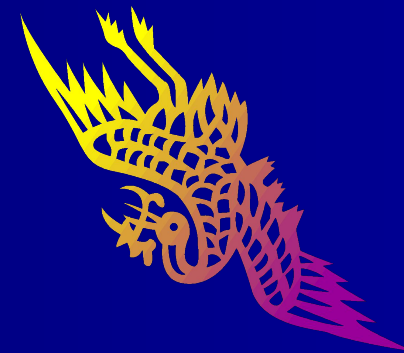

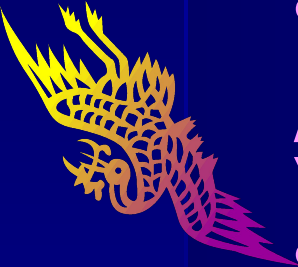

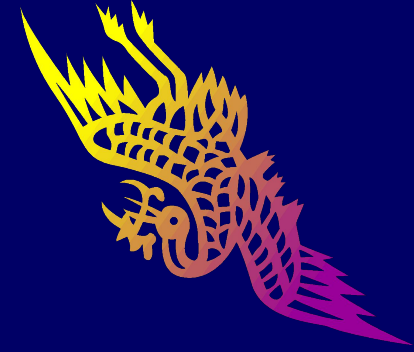

■ **Hippie**, most noticeable youth motion of North America and Europe of 1960-70th, in any way not designed organizationally, but having a lot in common in different countries: demonstrative denial of the generally accepted moral norms, waiver of performance of such public duties, as service in armies, of principle waiver of kooky-by that not was permanent work, denial of family, lenient attitude toward the use of drugs and other In ideology hippie different east religions were whimsically refracted, foremost den, beliefs of primitive people, for example, American Indians.

Jeff Whittle Photography 06

- **Punk** youth subculture, arising up in the middle of 70th in Great Britain, the USA, Canada and Australia the characteristic features of which are critical attitude toward society and policy. With a the name of the known American artist Andy Yorkhola is closely associated and to them by the group of Velvet Underground . Their soloist Pyd Lew it is considered the father-founder of alternative fate , flow which is closely associated with.

My subculture is Flox.

- The history this of this subculture: this subculture has occurred, because of that people has begun to be going to in groups to help the children, contribute the money oh charity, help the sick people by material support and moral support.
- It is appear is 1998 in Russian.

The appearance of the subcultures:

<p>Goth</p> 	<p>includes interest to all gloomy, to mysticism, to the or blood-red blacks in clothes.</p>  
<p>Punk</p> 	<p>Beside them cloth consists of bright color reminding reheats, and covering trousers.</p>
<p>Hippie</p> 	<p>designed organizationally, but having a lot in common in different countries: demonstrative denial of the generally accepted moral norms, waiver of performance of such public duties</p>

The peoples of my subculture are looking as:

Gold chain

Jeans

Sneakers

Sweater

The music of different subculture:

 **Music Goth** this the Goth-fate,
gotyk-metal, darkle, det-fate

 **Punk listen: by a punk-fate,**
techno, rock. 

 **Hippie listen: rock, techno,**
pop-music 

The music my subcultures:

- Pop-music
- Classic

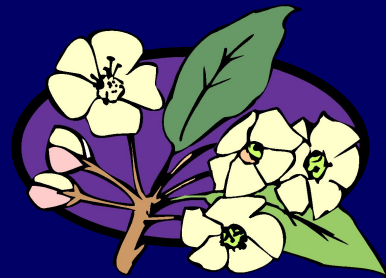

The positive features of my subculture:

- Positive features of my subculture consists in that they help people about think, about future societies, and about people which very need their help.
