San Francisco

Washington is the capital of the United States of America. Washington was named after the first US President George Washington.

The Library of Congress is the largest national library in the States. It contains more than 13 million books.

This monument was built in honor of George Washington. It is 555 feet tall and provides a panoramic view of Washington, D.C. It is called "The Pencil", because it is one of the tallest stone construction in the world.

The National gallery was opened in 1941. It has a lot of art collections by the great masters from 14th to the 19th centuries. It is one of the finest picture galleries in America
