НОВОБАТАЙСК

**I was born and live in Novobataisk.
Novobataisk is a nice and modern village.
I'm proud of my village.**

Practically many kinds of sports are popular in our school, but football enjoy the greatest popularity. As for me, I go in for football. It needs mobility, liveliness and much energy. It keeps a person in a good form. I have been playing football for eight years, but the more I play, the more I like it. I get a real joy taking part in competitions or simply playing with my friends. Every day I go to the stadium. I do my training with great pleasure and hope to play as well as our best players do.

Football makes me healthy, keeps me fit, more organized and better disciplined.

I know a lot about football. I can tell you the names of the Russian and world football players. I have pictures of them and know the results of many matches.

My hobbies are collecting football T-shirts,

collecting football magazines and cards.

I go to our local football club every spare minute and my dream is to become a football player. I also watch football on TV a lot. I never miss a single match. I'll never betray my favourite hobby.
