Цель:

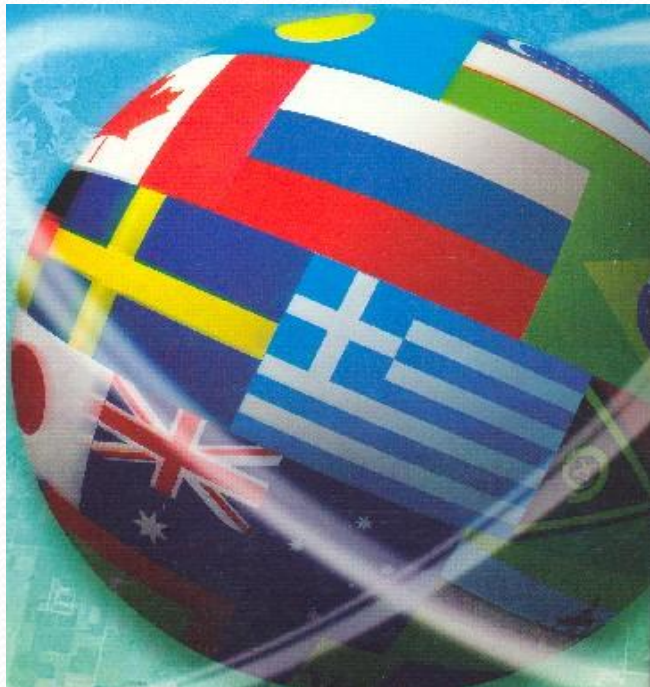

Показать , как важно изучение иностранных языков.

Задачи:

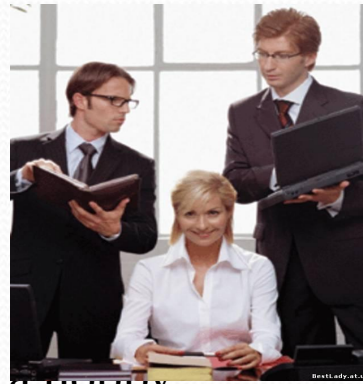

1. Выяснить какие языки сейчас наиболее важны.
2. Для чего нужно изучать иностранные языки?
3. Как изучение языка помогает в будущем?

Nowadays, the importance of languages is growing every day. Therefore, to answer the question "what languages are the most important?" Very difficult. We carried out a sociological question, and found that the most important languages are English, French, German, Chinese, Japanese languages. As well as foreign languages are important because of the fact that many of them are international.

Nowadays it is especially important to know foreign languages

- Some people learn languages, because they need them for their work

- others travel abroad

- for the third studying languages is a hobby

- who knows foreign languages can speak to people from other countries

- read foreign authors in the original

□ study of foreign languages helps to find a job

□ foreign languages help in science and technology

□ as foreign languages are used in computer technology

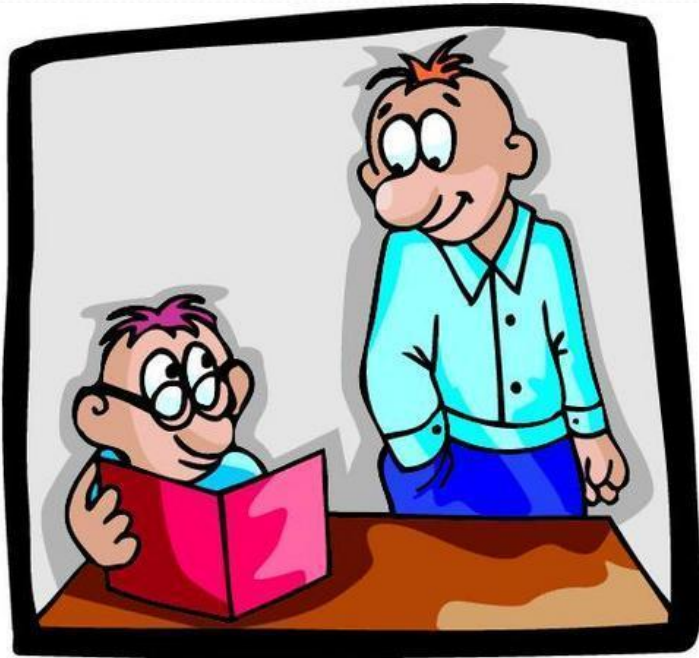

□ learning languages helps develop brain

□ and finally studying foreign languages is fashionable and practical

We also conducted a search operation and found that 80% of students believe language learning is important while 20% disagree.

Вывод

Thus we have shown that learning a foreign language is important in everyone's life!
