We are ready and happy...

You are to answer some questions

We always like to play...

We are pretty flies

We will have our birthday tomorrow

We can sing and dance

We are sales persons

We are funny narrators

I would like a samovar

At the market

Ant likes to speak on the telephone

Lady Bug is very strict and serious

I love you... I congratulate you...Oh, my beauty!

The first guests

The food is very tasty!

The visitors eat and talk

Dear butterfly, help yourself!

It's a real surprise for all of us

Dear friends! Let us sing! Let us dance!

Мухи, мухи-цокотухи, именинницы!

All of them like to dance very much

The fly and the shop assistant dance together

You can see everybody dancing merrily

It's a real pleasure to see the children dancing

The merry song about friendship

These are our artists, the pupils of the 4th form.

The spectators are active partakers of the fairy-tale
