

Free time of today's young people

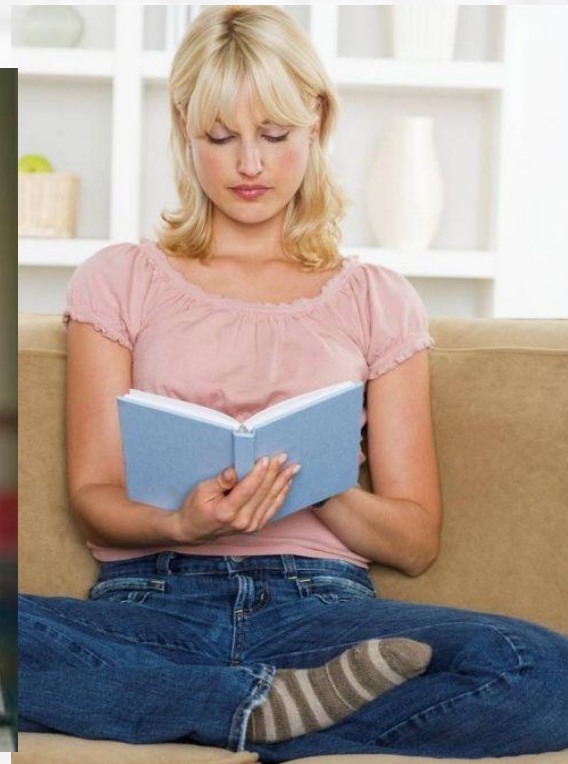

In Russia, was held a public survey. It showed that parents and teachers could not worry. Our youth is not so bad.

The Question is: What do you do in your spare time?

Reading, listening to music, watching movies - 41.94%

Sports - 19.35%

All the time I communicate with my friends - 12.90%

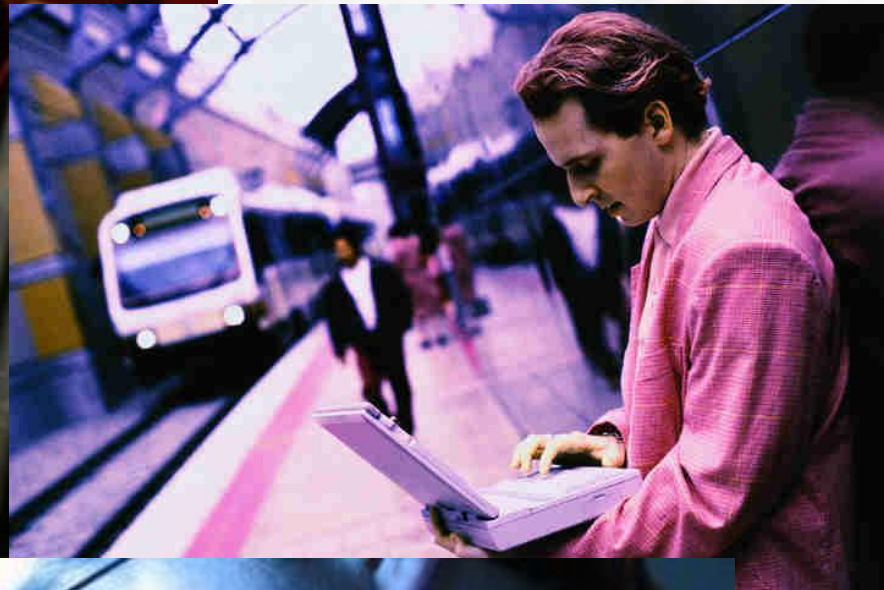

I work in my spare time - 9.68%

Could not answer this question - 12.9%

And, of course, 99% of youth use Internet.

Internet Addiction
