

Friends and friendship

What does the word
“friend” mean?

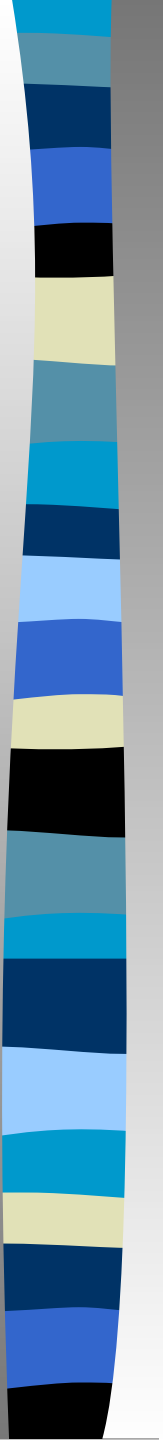

Do you have any long distance friends?

- How do you keep in touch with your long-distance friends?

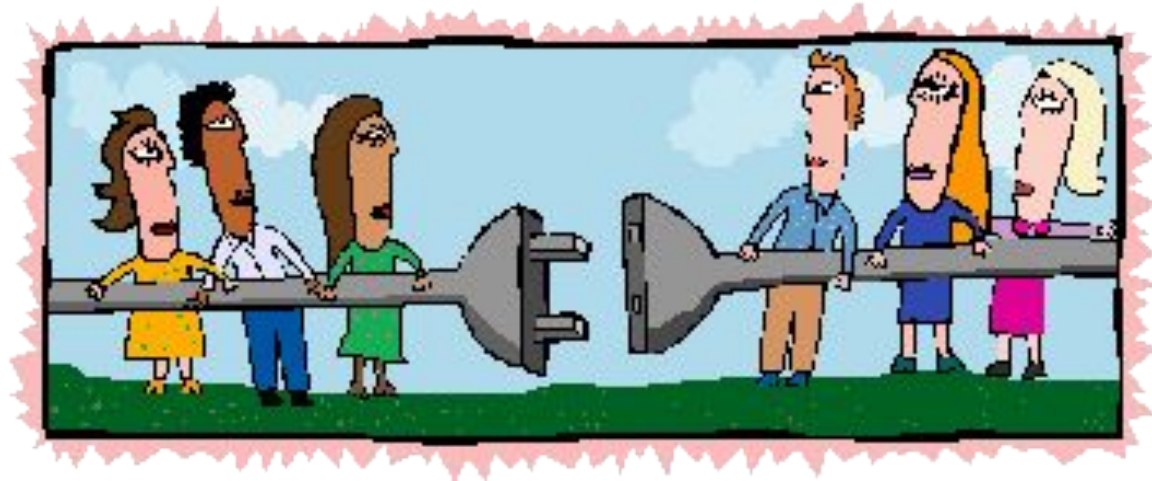

What makes a good friendship?

- Shared Interests?
- Honesty?
- Respect?
- Support?
- Understanding?

What do you usually do with your friends?

What things should friends
never do?

DON'T DO IT.

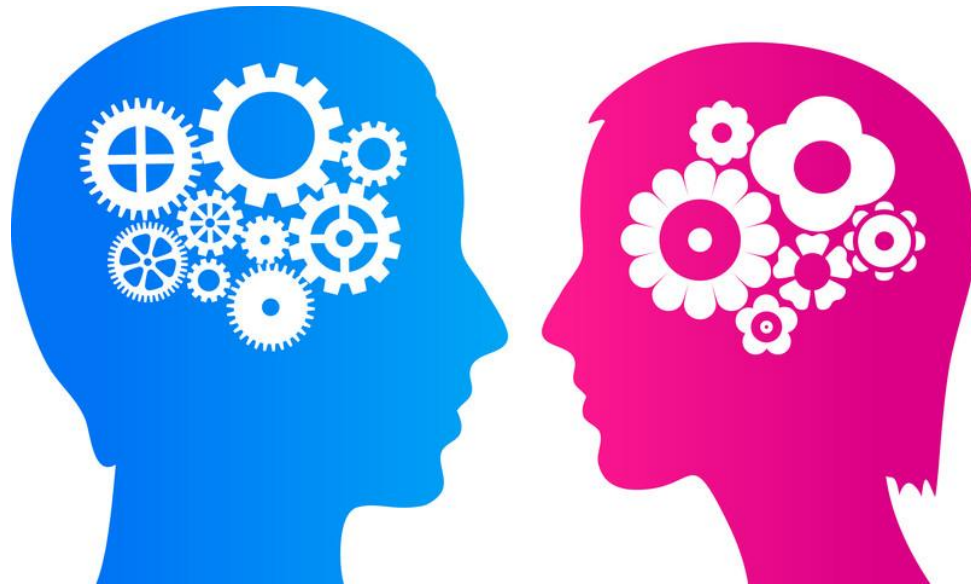

Have you made any friends
over the Internet?

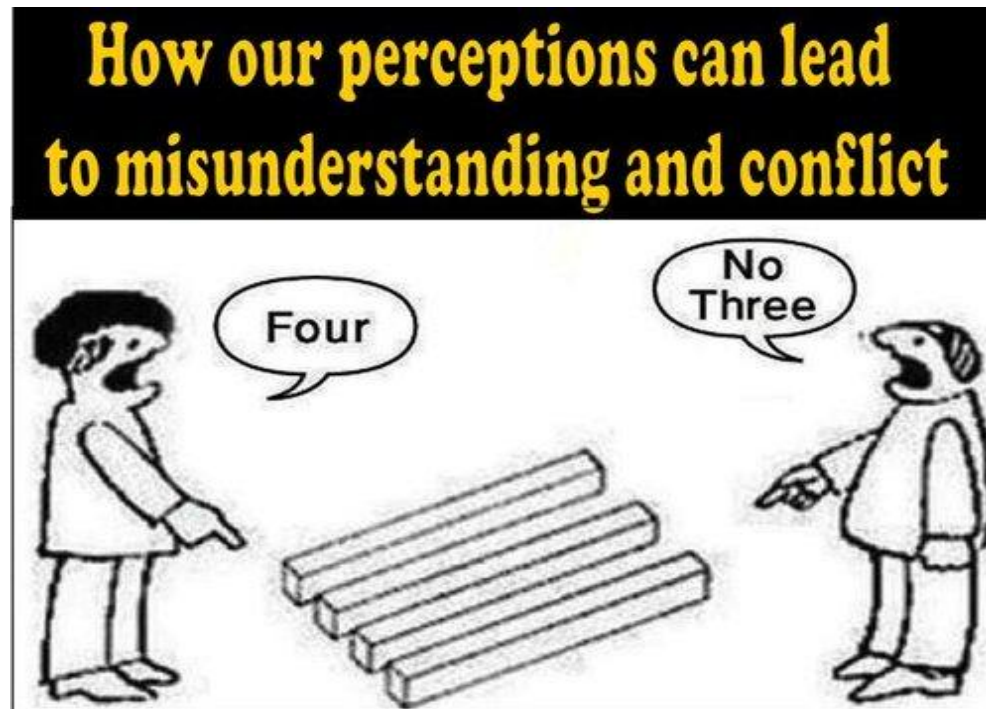

Where is a good place to meet new friends?

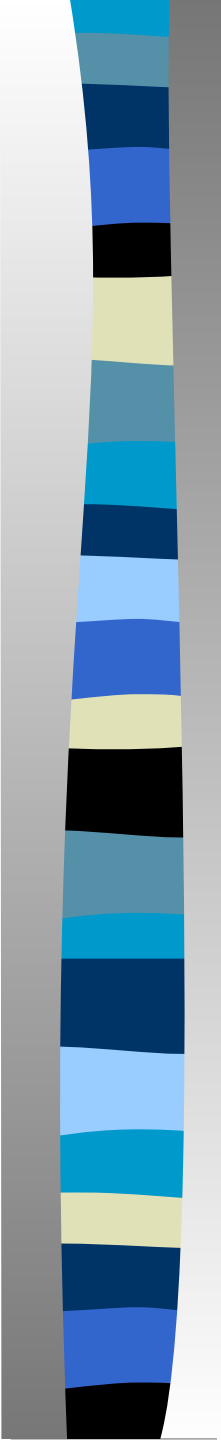

Can men be friends with women and vice versa?

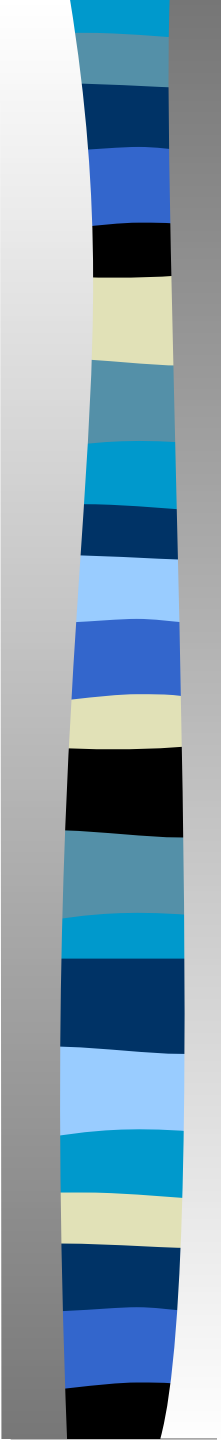

What do you do when you have a misunderstanding with your friend?

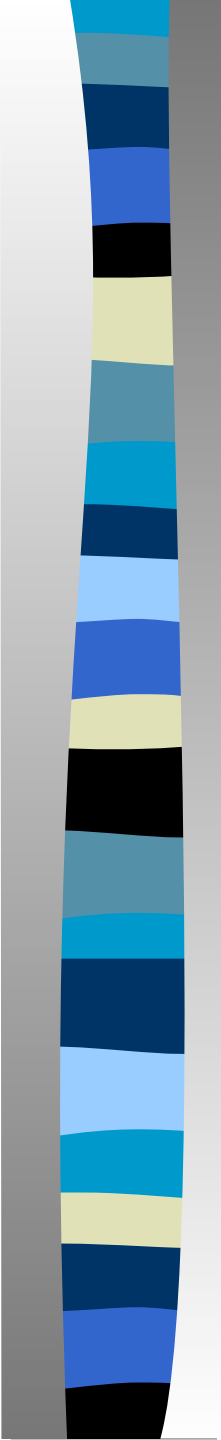

“True friendship comes when
the silence between two
people is comfortable.”

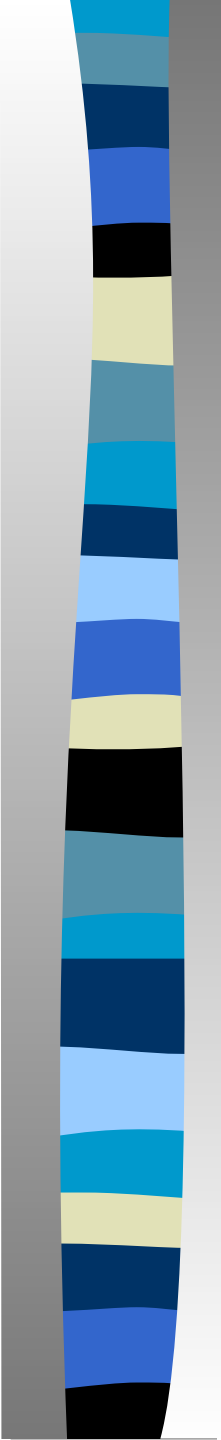

“I don’t need a friend who changes when I change and who nods when I nod; my shadow does that much better.”

“A friend is someone who
knows all about you and still
loves you.”

“Friends are the family you choose.”

A vertical decorative bar on the left side of the slide, composed of horizontal stripes in various colors including shades of blue, teal, yellow, and black. The bar is wider at the top and bottom and tapers slightly in the middle.

*“You can make more friends
in two months by becoming
interested in other people than
you can in two years by trying
to get other people interested
in you.”*
