Let's count!

10

Show me the shape

20

What's missing?

20

Write the number

20

Listen and colour!

20

Sing a song
“My MUMMY”

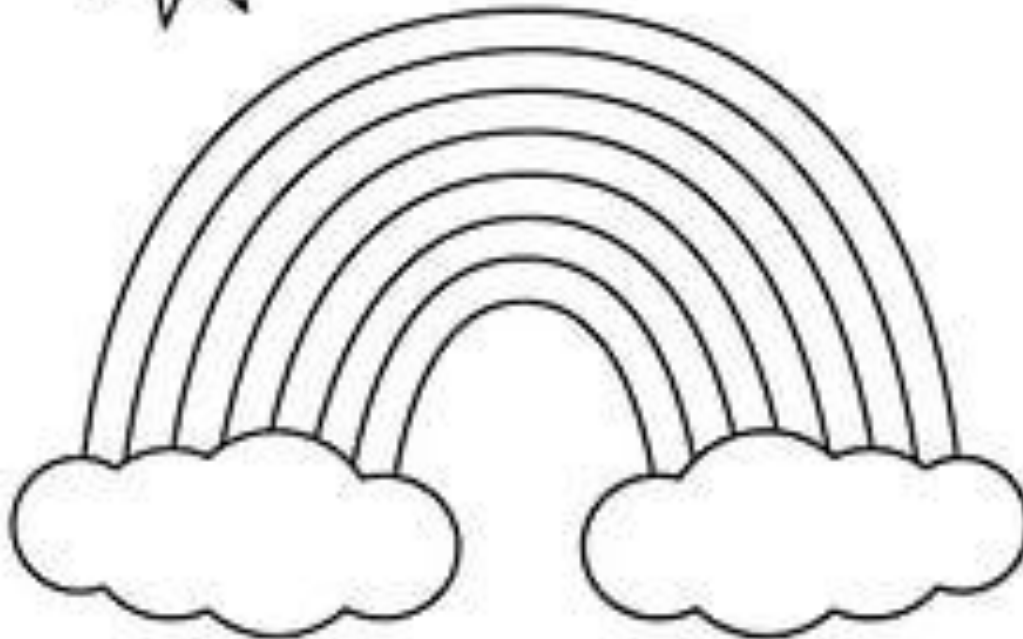

30

What are there in my bag?

30

Let's colour the rainbow!

30

4 + 5 = ?

8 9 10 11

This card features a blue sky with white clouds and sun rays. The equation $4 + 5 = ?$ is written in blue. Below the equation are two green trees on a grassy field. The left tree has 4 red apples, and the right tree has 5 yellow pears. At the bottom, the numbers 8, 9, 10, and 11 are displayed in purple, red, orange, and pink respectively.

5 + 2 = ?

4 5 8 7

This card features a blue sky with white clouds and a smiling sun. The equation $5 + 2 = ?$ is written in white. Below the equation are two green trees on a grassy field. The left tree has 5 red apples, and the right tree has 2 red apples. At the bottom, the numbers 4, 5, 8, and 7 are displayed in blue circles with orange numbers.

2 + 4 = ?

4 5 6 7

This card features a blue sky with white clouds and a sun. The equation $2 + 4 = ?$ is written in yellow. Below the equation are two green trees on a grassy field. The left tree has 2 red apples, and the right tree has 4 yellow pears. At the bottom, the numbers 4, 5, 6, and 7 are displayed in purple, red, orange, and pink respectively.

What's the answer?

30

Listen and draw

Good bye!
