KENSINGTON

*Kensington Gardens, once the private gardens of Kensington Palace, is one of the Royal Parks of London. The park is the setting of J.M. Barrie's book Peter Pan in Kensington Gardens, a prelude to the character's famous adventures in Neverland. The fairies of the gardens are first described in Thomas Tickell's 1722 poem Kensington Gardens. Both the book and the character are honoured with the **Peter Pan statue** located in the park.*

Hyde Park and
Kensington Gardens,
Green Park, Regent's
Park and St James's
Park are the largest
green spaces in central
London.
