ИСТОРИЯ СОЗДАНИЯ

- The first coat of arms of the city of Vladivostok was designed by architect J. E. Rego in 1881.

- "The green shield gold tiger, raises a silver rock, with dark red eyes and tongue, to the left of the free - the emblem of the Maritime region. Shield decorated with golden crown of three towers of teeth, behind the shield two gold anchors, provisions and cross connected ALEXANDROVKA tape." ? P. Winkler from the book "Arms of cities, provinces, regions and planted the Russian Empire."

- 1971, the Board of the city council approved a new version of the coat of arms.

- 2001, September 24, the Head of the City Administration Yury Kopylov signed a decree on the celebration of the "Day of the Tiger" on the fourth Sunday of September.
- 2001, City Council decided to Vladivostok on a new sample of the arms - without anchors, tower crown and ribbon.
