★ ★ ★ ★ ★ Rating 3.5/4 - 10 reviews

Dr. **Becky Lang**, MD, Saginaw, MI, Rated 3.5/4 By Patients, 13 Award Winner, Phone Number & Practice Locations.

Google glasses is a comfortable for usins.

This invention is strong and light.

It has modern and interesting design too.

It weights like a usual sun glasses.

The disadvantages

- **this invention has mudi price**

This project will be released in 2014 year.

Google glasses will be available to purchase by the end of the year for less than \$1,500.

The disadvantages

- wearing this glasses you look stupid
- it limits your freedom, you live only just in the virtual world.

Future?
