

# GOTHIC ART

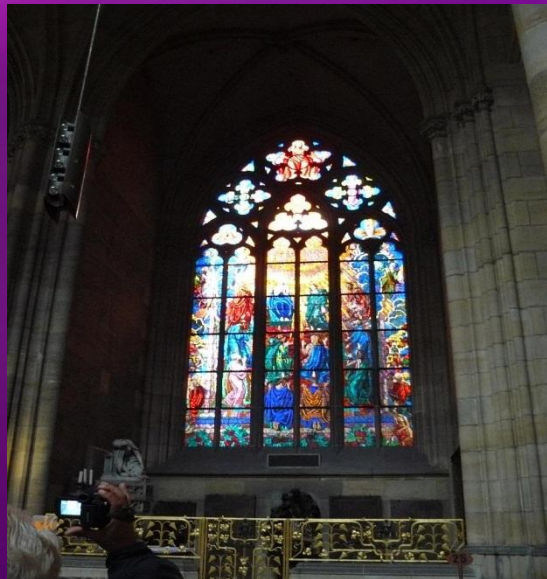

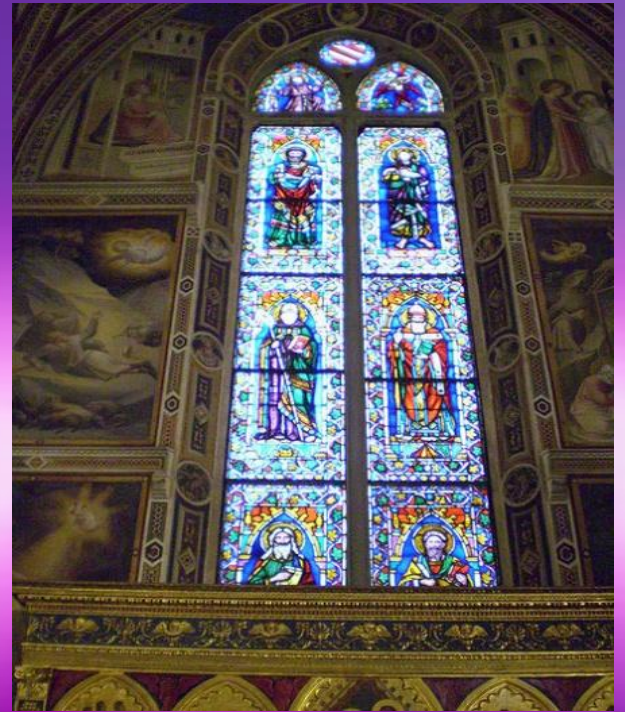

The Gothic Art is a style which was developed in Western Europe from Middle Ages

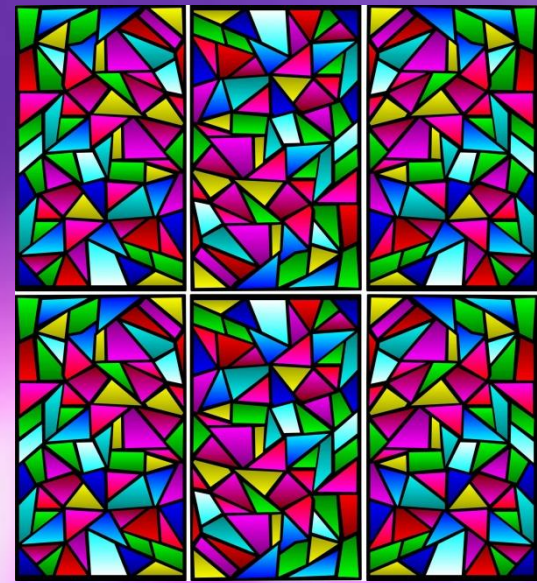

The term  
“Gothic” was  
used for first  
time in 16th  
century for the  
Italian historian  
Giorgio Vasari.

Fresco: Mural painting, a continuation of the previous Roman and Christian traditions

Stained-glass windows. In northern Europe, the stained glass art were not popular until the 15th century.

Oil Painting on Canvas not popular until the 15th and 16th centuries, but it was one of style in gothic art .
