

Grungers

- One of the oldest subcultures is granzery, they emerged under the influence of the musical direction of grunge in the 1990-1991 year. Its ancestor, the group Nirvana, which could promote not only your style to the masses, but also give rise to a whole generation of his followers.

Appearance Granžerov easily distinguished from members of other subcultures, generally, they dress up as their idol Kurt Cobain, i.e., Plaid Shirt, shoes and long hair—these three elements fully form the image and image. granžery Still wear baggy jeans, loose t-shirts, Hooded Jackets, chains, skateboards

In fact, Nirvana, and with it the classic grunge ceased to exist before the death of Kurt Cobain in 1994 year. However, grunge ideas have not been forgotten. Grunge subculture and now continues to exist. Grunge is so unique that could spread to virtually everything: music, fashion, graphic design, interior design and even lifestyle

In graphic design and interior design, grunge became characterized by negligence of parts and vintažnost'û. The images themselves ragged, scraps, often with additional elements inserted into each other. The color palette consists of a dull, muted tones of beige, black, Brown and grey colors.
