

AIKO 
greengrocers

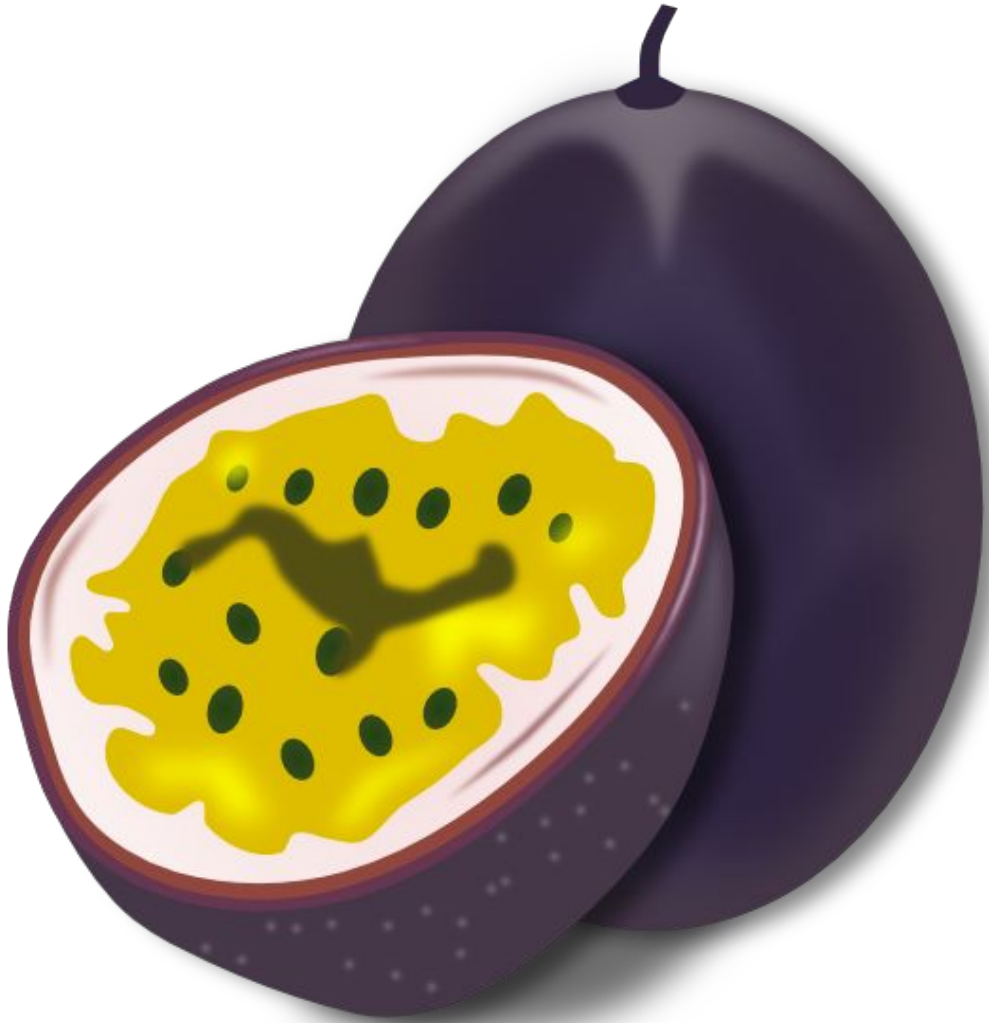

Our fresh and tasty fruits
Would like make your better mood.
Sweet and red or green and sour.
So, welcome to grocers our!

The best watermelon you may find here.

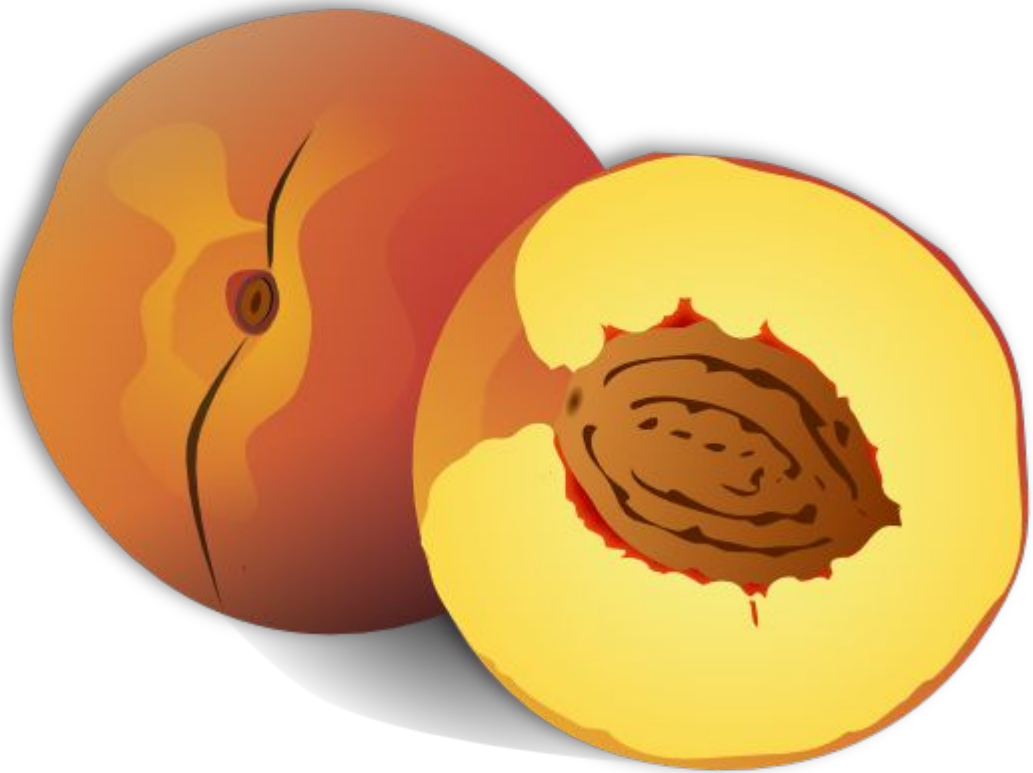

The biggest and small delicious pears.

Tropical fruits, maybe see for the first time.

Jam without sugar is not a crime.

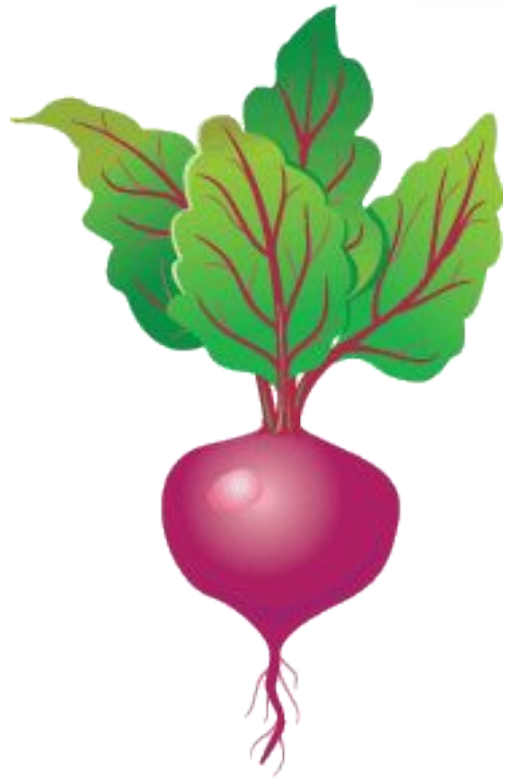

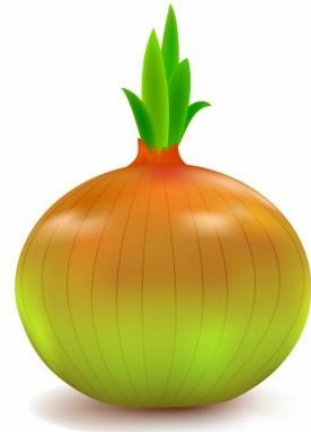

Oh, and, of course, you will buy apricots.

Combine it with apples and boil compote.

However you see
vegetables all types.
Children it hate but
young woman so likes.

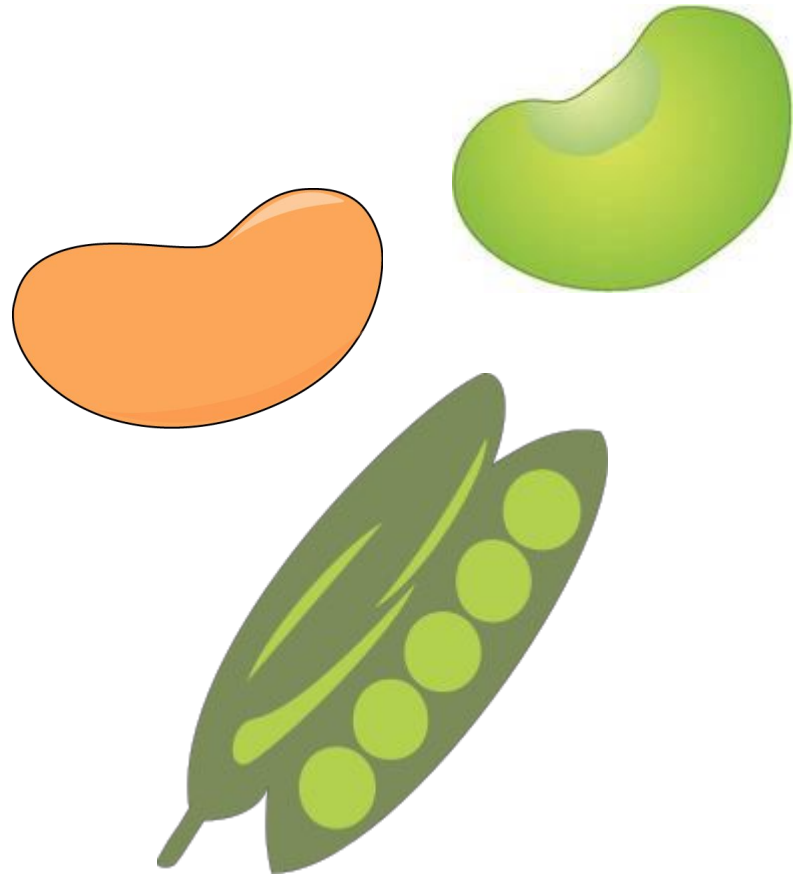

Beets and tomatoes, onion, leek.

Lettuce and olives for salad called Greek.

Peas and beans, brown and green.

You come in greengrocers for health, figure slim.
