The majority of Americans are celebrating the first Christmas and then New Year's Eve.

- **New Year's inhabitants of America usually meet with friends and not with the family. 31 December organize parades, performances, football matches and concerts.**

Clock on Times Square in New York is a major "counter" the time during New Year celebrations.

Children write letters to Santa, they not only write letters, but sometimes when I met him say in his ear his wishes.

Father Christmas in America is called Santa Claus. Modern appearance of Santa Claus the world owes to the United States, and especially the company's Coca-Cola. Say that according to legend, the first deer, deer Rudolf. According to the legend he has a nose shines like a beacon, and highlights a long way to Santa.

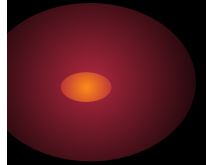

**The main dish at Americans
for the new year turkey. A
favorite drink of champagne.**

**In the United States to
sing the traditional song
«Auld Lang Syne».**

HAPPY

NEW

YEAR!

**Thank you for your
attention!!!!**
