Read the letter. Arrange the information into “do”, and “don’t”.

Dear friends,

Health is above wealth. Everybody knows that, but sometimes forgets. When we are young, we don't pay attention to some our bad habits. It's our great mistake. Let us prompt you : what to do, what not to do:

DO

Don't

- *Reduce calories and cut down on sweets, cakes and chocolate.*
- *Lose weight.*
- *Stay at home.*
- *Go to bed late.*
- *Follow a balanced diet.*
- *Give up smoking – every cigarette shortens your life.*
- *Get stressed. When you feel that your stress level is rising, take a break.*
- *Learn to relax.*
- *Eat between meals: it's the fastest way to put on weight.*
- *Lead an active lifestyle.*
- *Be a fitness fanatic.*

*Your sincerely,
experts.*

Questions:

1. How do you feel?
2. What do you do to keep fit?
3. Have you ever smoked?

Discuss :

What is right in your lifestyle?

What is wrong?

MODEL: *In my opinion teenagers smoke a lot.*

To my mind we always try to stay in shape.

Home assignment

1. Write a letter to the expert, describing
“ My lifestyle”
2. Ex. 3, p. 113
