Long ago, people believed that on a certain night dead spirits came back to earth.

And people held a festival that was the start of our Halloween. It was on October 31st.

People built fires on hilltops to scare off the ghosts. They scared the ghost by wearing scary costumes.

In America children play a special game: **Trick or Treat.**

They dress up as ghosts, witches, clowns or pirates and visit their neighbours.

“Trick or Treat”
they cry.

You have to give them a treat:
some fruit, sweets or chocolate.
If not they'll play trick on
you.

The Halloween colours are orange and black.

It was time
when orange
flames lit up the
black night.

Families carve their pumpkins.

Some people carve funny pumpkin faces.

But some people carve scary pumpkin faces.

They place the pumpkins in windows...

...in the yard...

...or on doorsteps.

American and British schools have parades of children in costumes.

These are the symbols of Halloween:

- Spiders
- Skeletons
- Black cats
- Bats
- Ghosts
- Witches
