Г. Москва

People have different ideas of how to spend their free time.

For some of them the only way to relax is

watching TV or drinking beer

What is interesting to one person can be boring to another.

That's why some people prefer reading, cooking, knitting, collecting, playing a musical instrument, painting, photography, fishkeeping or playing computer games while others prefer dancing, travelling, camping or sports.

***You can use the following expressions to
talk about your hobby***

be fond of

be keen on
