## Homes

• In the world there are many kinds of houses: apartments, cottege and village houses.

• I live in a flat. In a hall there is a TV-set, a computer, a sofa, armchairs, a table and a cha In kitchen there is a table, chairs, the refrigerator. In the second room there is a TV-set, a table, bed and a chair.

 There are houses of different forms.

 I dream about a modern and the biggest house. In a hall the will be a huge white sofa, opposite will stand a big flat T In my bedroom there will be a TV, a computer, and a ceiling mirror. On the second floor there will be a gym. On a backyard there will be a bath anda small swimming pool.

## Approximate kind of my house.
