

# How Spot learns to bark

This is our little puppy Spot. It is small. It likes its house and it likes to walk in the garden. It can run, jump, play with other animals.

But it is very sad. It doesn't know how to bark. It walks and walks around the house...

When I'm at the zoo,  
What do I see?  
Lots of funny animals  
Looking at me.

I see a tall **giraffe**,  
Eating from a tree.  
I see a silly **monkey**,  
Laughing at me.  
I see a clever **dolphin**,  
Swimming in the sea.  
I see a little **seal**,  
Clapping one, two,  
three!

I see a lazy **lizard**,  
Sitting in the sun.  
I see a big **whale**,  
Having lots of fun.  
I see a baby **hippo**,  
Learning how to run.  
And one **crocodile**,  
Crying on its own!

## 2 Chit-Chat

A: Look at the giraffe!

B: Oh, yes! It's eating from a tree!

# Yes! No?

1. Is giraffe laughing at me?
2. Is seal clapping one, two, three?
3. Is lizard sitting in the sun?
4. Is hippo learning how to run?
5. Is whale having lots of fun?
