# The most rare languages in the world

According to the data of the French Academy of Sciences, the modern mankind speaks almost on 3000 languages: in the review of languages of the world under A.Meje and M.Cohen's edition 2796 languages are described

Ég elska þig      దీని ను ఊముచ      워란 kui jerdalahay      Saenettuk  
narakupenda      Asuntik      quierote      Te amo      77 yz7 77

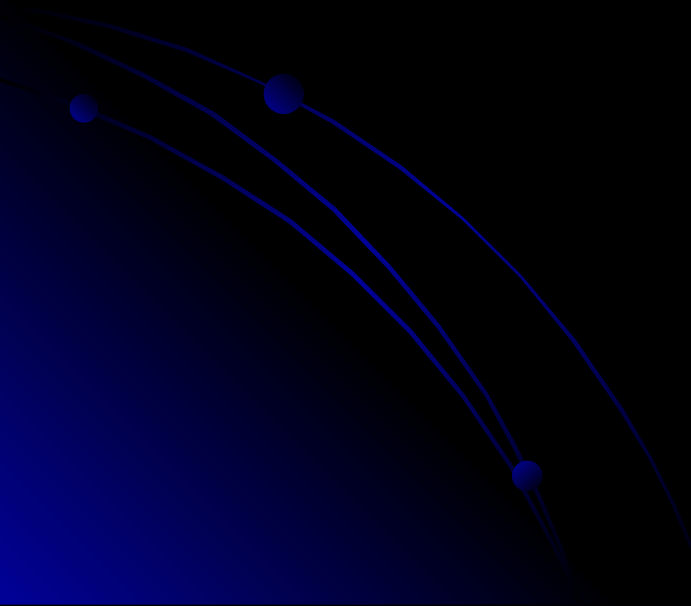

Je t'aime      Ich liebe dich      मैं तुम्हें बहुत प्यार करता हूँ      me caran      Mahal kita  
tha gaol agam ort      hi usi      Ich hab dich ger      Kotham aq      ámo

मैं तुम्हें बहुत प्यार करता हूँ      Jag elsker dig      Tain yaktaxug      123456789      Ti vau b  
मैं तुम्हें बहुत प्यार करता हूँ      Jag elsker dig      I love you      2012 2014 3  
no do psoni      maite zaitul      Uppinul til p

Ti voglio bene      ते दवा      我愛你      Bolux me      lakooan  
Ik heb jou lief      Jag elsker dig      E'ekimo

दुःख में ही तुम्हें प्यार करता हूँ      I upade kacava      معراب سے معجب کرتا ہوں      Gmim thi  
des in dy gani di nyon dy gani di      Ik hou van je

The population of New York speaks 75 languages. In Vietnam exist about 70 nationalities, everyone speaks the language or an adverb. But there are languages unfortunately in the world which are very rare! These languages tell only very small quantity of people!

Language concerns recently registered rare language susuami in which speak only two families in a province of Morovija. And children understand this language, but do not talk it.

The most rare language in Europe considers livonskiy language, related to Finnish. In livonskiy speak about 200 citizens of Latvia now.
