I like the way my eye
can see things
from the sky.

**I like my mouth
and lips
and fingertips.**

A cartoon illustration of a panda sitting and eating bamboo. The panda is white with black patches on its ears, eyes, and limbs. It is holding a bamboo stalk in its mouth with its right hand. The background is a vibrant green with stylized bamboo leaves and branches. Three labels with thin black lines pointing to the panda's mouth, lips, and fingers are overlaid on the image.

I like the way

my **neck**

lets me peck.

I like the **button**
on my **belly**

– it's not too smelly!
