

I, ME, MYSELF

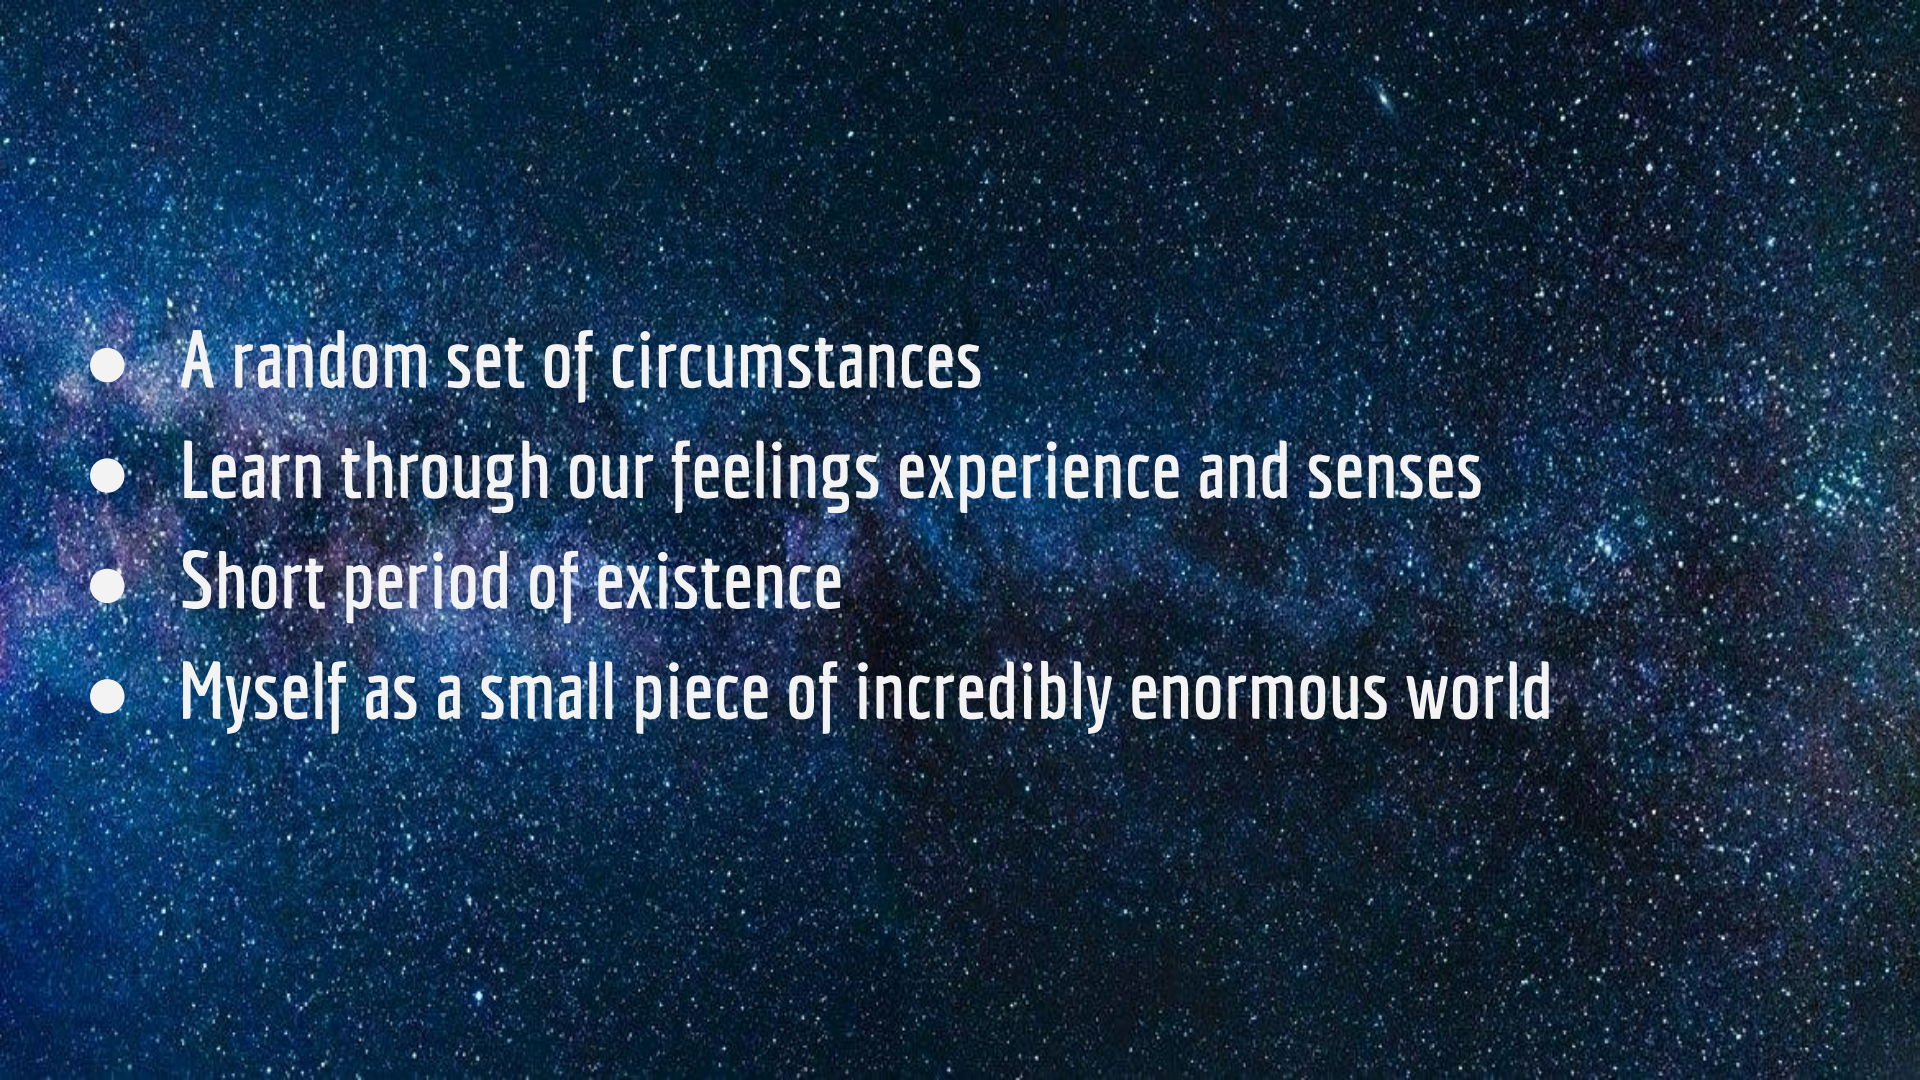

Self presentation

A silhouette of a person standing on a rock in the foreground, looking up at the Milky Way galaxy in a starry night sky. The galaxy is a bright, colorful band of stars stretching across the sky, with a purple and blue hue. The background is a dark, starry sky with many small white stars. The overall mood is contemplative and awe-inspiring.

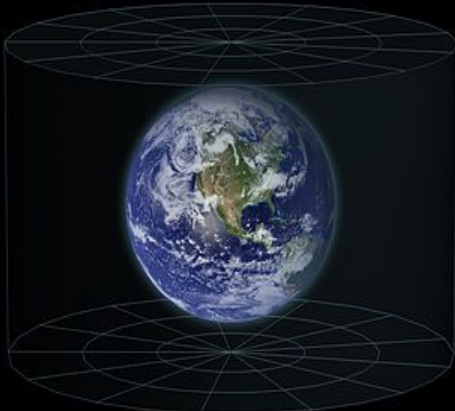

I am a human, a random, mortal creature.

A wide-angle photograph of the Aurora Borealis (Northern Lights) in a dark, starry sky. The aurora displays vibrant green and yellow-green curtains of light that arch across the horizon. Below, a calm body of water is dotted with numerous icebergs of various sizes. The foreground shows a rocky shoreline. The overall scene is serene and majestic.
