The more we are together,
Together, together,

The more we are together,
The happier we are.
For my friend is your friend
And your friend is my friend.
The more we are together,
The happier we are.

The more we sing together,
Together, together,
The more we sing together,
The happier we are.
For his friend is her friend
And her friend is his friend.
The more we sing together,
The happier we are.
