Illegal immigrant population in the USA

Pros and cons

 **ILLEGAL** 

 **IMMIGRATION** 

+ It helps keep the economy moving by filling low-wage jobs.

+ It provides a better life to individuals and families who enter the country illegally.

+ It creates a pool of consumers for a variety of goods and services.

- Burden on tax-based resources.

- Disparity between immigrants who follow the rules and those who don't.

- They risk death when traveling the desert to reach the borders.

- Continued growth of the demand for cheap labor and low wages.

Pros and cons

+ Farmers are able to plant and harvest less expensively.

- Potential negative effects on working and middle-class citizens.

+ Illegal immigrants pay sales taxes.

- Millions of U.S. dollars sent outside the country.

+ Illegal residents, who are property owners, also pay real estate taxes.

- Unbalanced ethnic diversity.

Economic benefits

Deportation and human rights

Orphans

About 88.000 orphans left in the USA
because of the deportation of their parents

Violence at home

1 of 4 women in the USA suffer from husband's violence
