

Indie Rock

Indie rock is a sub-genre of alternative rock that originated in the United Kingdom and the United States in the 1980s. The meaning of the term "indie rock" is contested today by many musicians, fans and commentators. Most use the term "indie rock" to describe any rock music produced by artists working within the network of independent record labels.

Indie means Independent

History

1980s- alternative rock, used as a term, was more or less synonymous with indie rock

1990s-The term "indie rock" became associated with the bands and genres that remained underground.
