

There was a small cabin in a field.

- One day Burrowing Mouse came & knocked at its door:
“ What a nice house!
Who lives in the house? Nobody?
I want to live in the house!”

Next day Croaking Frog came & knocked at its door:

- What a nice house!
Who lives in the house?
- I am Burrowing Mouse.
- I am Croaking Frog
- Let's live together!
- And so there were two.

Next day Bounding Hare came & knocked at its door:

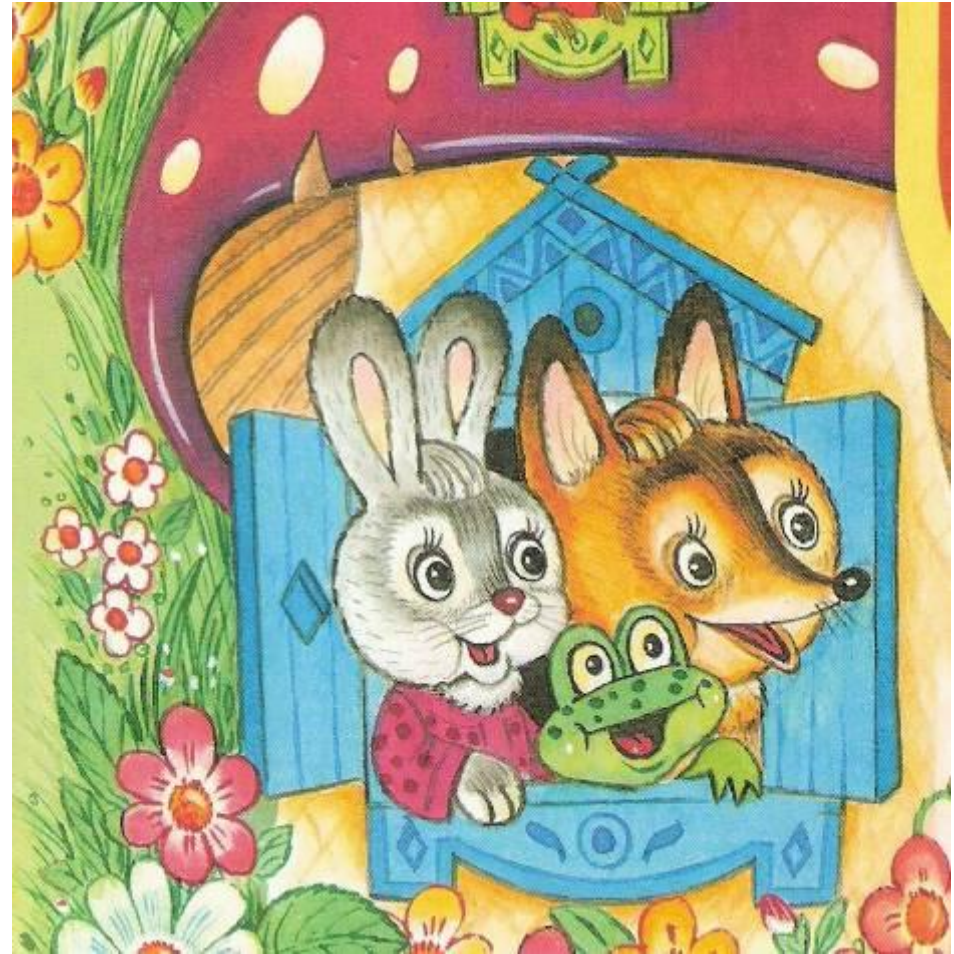

Next day Running Fox came & knocked
at its door:

Let's live together!

Well why don't
move in!

And so there
were four.

Next day Grey Wolf came & knocked at its door:

- Who lives in the house?
- I am Burrowing Mouse.
- I am Croaking Frog
- I am Bounding Hare
- I am Running Fox
- Well why don't move in!

And so there were five.

The Big Bear brought tumbling
down the cabin!

It is new & nice house!
They will live there together!

Happy End!

The more we are
together!
Together,
together
The more we are
together!
The happier we
are!
