Dave Jenkins, a photographer since 1969, specializes in photography of people and architecture.

Known for his strong sense of design and special feeling for beautiful light, his assignments have taken him to 28 countries and around much of the United States. He and his wife Louise, a Nurse Practitioner, live on a small farm in the Northwest Georgia mountains.

42-летний ирландский фотограф Дэвид Дженкинс (David Jenkins) попытался показать мягкую сторону огромных полярных хищников. Эта коллекция фотографий, сделанных в течение 10 лет в Канаде, рассказывает о связи белых медведей и их детенышей, когда они впервые выходят из своей берлоги.

**This little bear has
a soft
fur suit,
This little bear acts
very cute,
This little bear is
bold and cross,
This little bear rests
his head
on moss,
This little bear likes
bacon
and honey,
But he can't buy
them.
He has no money .**

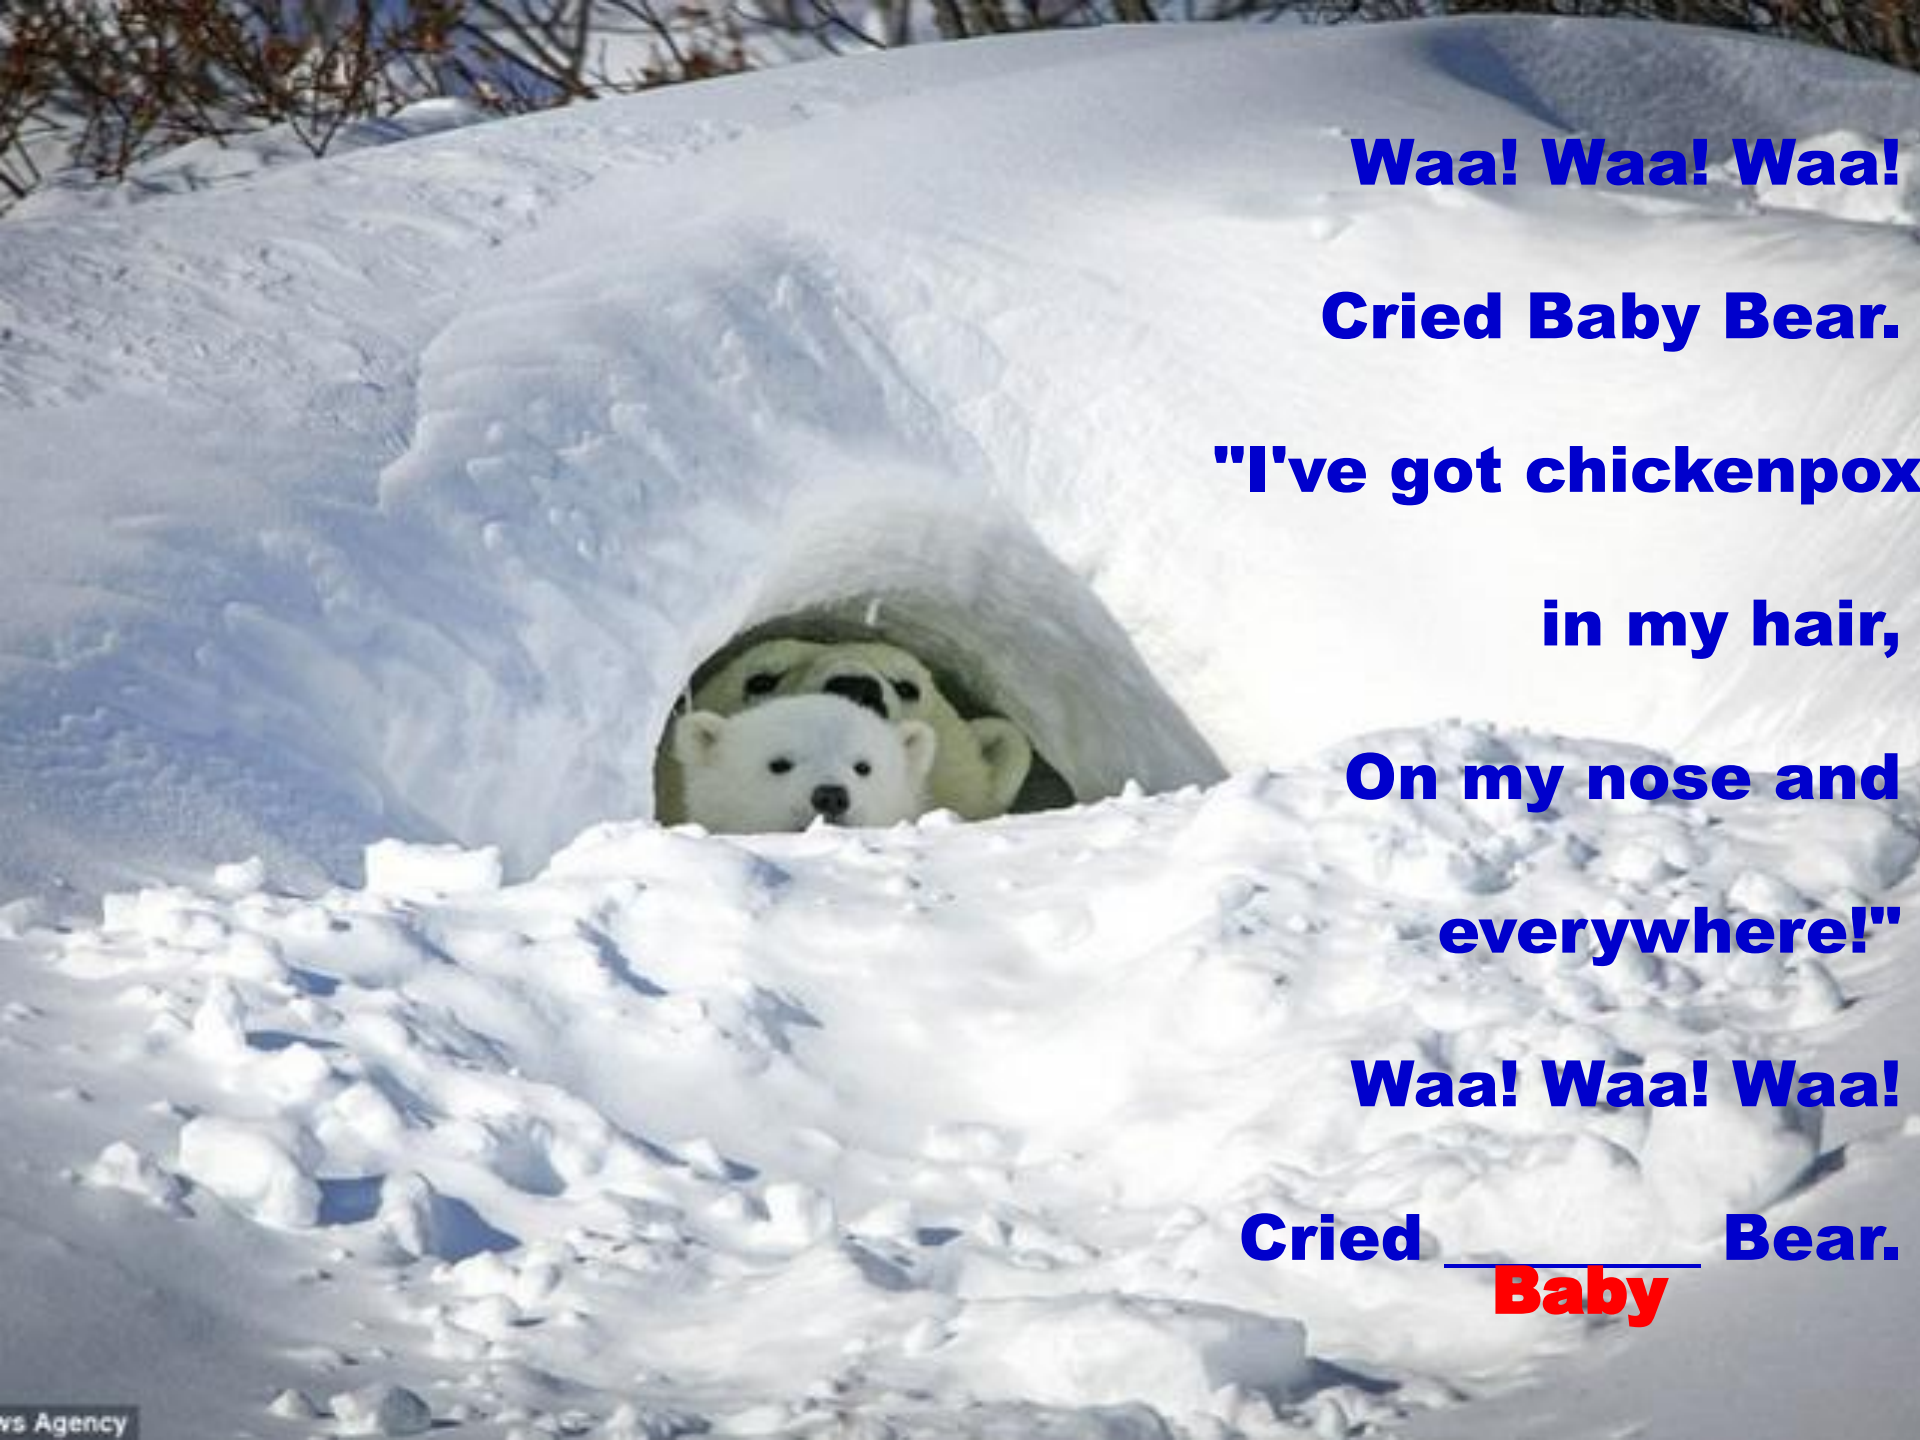

**The polar bear lives in Alaska,
He never gets cold in a storm,
He swims in cold icy water,
His heavy coat keeps him warm**

**I'm a little polar
bear
soft and white.
I catch a tasty fish
and take a big bite.
When the day is
over
I know what is
right.
I lay down my
sleepy head
and say
"Good _____
night**

Waa! Waa! Waa!

Cried Baby Bear.

"I've got chickenpox

in my hair,

On my nose and

everywhere!"

Waa! Waa! Waa!

Cried Bear.

Baby

Little Polar Bear

White as the snow

Sat on the ice

Near

the cold

water's flow.

I am hungry,

he said

and made a wish

Then stuck in his paw

And pulled out a fish

This little bear

Has a heart that's true

And is filled with hugs

Especially for you.

If you ever need a little hug,

Find this little bear

And he'll give you a hug

**Now it's time for
sleeping,
The bears go in
their caves.
Keeping warm and
cozy,
Time for lazy days.
When the snow is
gone,
And the sun
comes out to play,
The bears will
wake up from
their sleep,
And then go on
their _____ .**

way

**A polar bear felt quite alone
in the arctic circle zone.
So he looked up at the sun and
With his shadow he started having fun!**

**That sunny day
so the bear and his shadow
played all day in snow deep
until the bear decided
to go home and sleep .**

**Polar bears live in
the snow
icy lands
of Arctic
shores.
They
Sleep,
They eat,
They hunt,
They play
For lives as long as
12,000 days.
That's about 32 in
years.
They get to prey and
have no fears.**

Thick white fur

Helps body heat

Keep Polar bears warm

In their climate

Though temperatures fall

Less than minus 58

They can still hunt and

_____ and mate

play

Grandpa Bear's Lullaby

**The night is long
But fur is deep.
You will be warm
In winter sleep.
The food is gone
But dreams are sweet
And they will be
Your winter meat.**

**The cave is dark
But dreams are bright
And they will serve
As winter light.**

Bears like honey

**That comes
from bees.**

Bears like to nap

Under shady trees.

**Bears can be
cuddly,**

Or big and mean.

My little Teddy Bear

Is the cutest

I've seen.

He's at my side

When I'm happy or blue,

Here's to my Teddy

Bear--

"I love you!"

**There's a Polar Bear
In our Frigidaire--
He likes it
'cause it's cold in there.
With his seat
in the meat
And his face in the fish
And his big hairy paws
In the buttery dish,
He's nibbling the
noodles,
And munching the rice,
He's slurping the soda,
He's licking the ice.
And he lets out a roar
If you open the door .**

**Enjoy
