

A topographical map of Australia is shown in the background. The map uses color to represent elevation, with green for lowlands and yellow for higher plateaus. The word 'AUSTRALIA' is printed in large, black, spaced-out letters across the center of the continent. Overlaid on the map is the text 'Interesting places of Australia' in a large, bold, red font. The text is centered and spans across the middle of the continent. Other geographical features visible on the map include the Great Australian Bight to the west, the Great Australian Ranges in the south, and the Great Artesian Basin in the east. The surrounding oceans are shown in blue.

Interesting places of Australia
